Crack Sealing Project to Resume on I-83, Route 30 in York County

Harrisburg, PA – The Pennsylvania Department of Transportation (PennDOT) announced today that a crack sealing project is set to resume tomorrow night on Interstate 83 and Route 30 in York County. Crack sealing will be performed on I-83 mainline and ramps from the Maryland state line to Exit 40 (Limekiln Road), and on the Route 30 mainline and ramps from the Abbottstown Borough to Wrightsville Borough.

Weather permitting, this work will resume tomorrow night, Wednesday, September 4. The contractor will work nightly from 8:00 PM to 6:00 AM. There will be rolling lane closures during work hours. Motorists should drive with caution and be alert for construction vehicles and workers.

CriLon Corporation of Somerset, PA, is the contractor on this \$739,048 project.

Motorists can check conditions on major roadways by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras. 511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by [following local alerts on X](#).
