monthly news

Water/Sewer bill notifications are designed to send reminders for the following

- When your bill is ready (provides attachment of bill)
- When your bill is near due date – halfway point (only if you haven't paid yet)
- When your bill is due (only if you haven't paid yet)
- ❖ You may sign into your account and mute these notifications at anytime.
- ❖ Every user regardless if they receive paper bills or are paperless will receive these notifications if they have ever viewed or paid their bill via our online portal.
