Town of Louisa Press Release

Date: July 27, 2026

FOR IMMEDIATE RELEASE

Subject: Water Line Repair – Ellisville Drive

The Town of Louisa Public Works Department is conducting emergency repairs to a water line on Ellisville Drive. Surrounding side streets may be impacted.

During this repair, residents and businesses in the affected area may experience temporary water service interruptions or reduced water pressure.

Crews are working diligently to complete the repair as efficiently as possible and minimize service disruptions.

We ask residents to use caution when traveling through the work zone and to follow all posted traffic and safety signs.

Bottled water is available at Town Hall for impacted residents.

If you are unable to travel to Town Hall, please call 540-967-1400 and we will coordinate delivery to your location.

We appreciate your patience and will continue to provide updates as more information becomes available.
