Reach for the Stars Puppet Productions™

with puppeteer, MomMom Nonna, presents a heartwarming puppet show that delights audiences of all ages!

Follow the Snowman as he shows kindness to those in need of help.

Join in the collective “oh no”! as part of the audience, when the snowman creatively appears to melt.

Experience the joyful reveal as the Snowman’s grateful friends unite to rebuild him.

At the signature pre-show chat the audience is introduced to the hand crafted stage and puppets.

After the show, all are welcomed to ‘Shake off their Sillies’ to a dance song. Then, an **audience-favorite**, a backstage pass to see where the puppets hang out and how the magic happens!

The story highlights the power of kindness showing that what we give from the heart always comes back to us.
