

ROAD CLOSURE PRESQUE ISLE DRIVE AT GOLDEN MILE HIGHWAY - ROUTE 286

Plum Borough Public Works will be replacing a portion of stormwater pipe within Presque Isle Drive that will require a full closure of the roadway.

To limit the impact to the public, work to begin Saturday, July 18th, at 7:00 PM and will be completed overnight into early Sunday morning, July 19th.

Traffic will still be able to access Sheetz from the West side of Presque Isle Dr. and from the entrance along Golden Mile Highway – Route 286.

During this short construction period, traffic will not be able to use the portion of Presque Isle Drive between the Sheetz entrance and Golden Mile Highway – Route 286.

Thank you in advance for your patience while this job is completed.
