

NEW SALEM BOROUGH 150TH ANNIVERSARY CELEBRATION

It Was A Great Day For A Birthday Party! Everyone I Spoke With During And After The Celebration Said They Had A Great Time, With Each Commenting On At Least One Aspect They Enjoyed Most. While I Would Have Liked More People To Attend, We Were Perhaps Upstaged By The Opening Day Of The York State Fair. Having Made That Comment, The Attendees At Our Celebration Chose What Was Important To Them - A "Hometown Celebration"! Not A "Flashy" Event, But One Focusing On The Younger Generation. No Computer Generated, AI Make Believe, Just Old Fashioned Fun For The Children! I Would Like To Thank ALL Who Made It A Success!
