SCOUTING FOR FOOD & SHELTER DRIVE

JOIN WITH THE **SCOUTS** TO HELP FIGHT HUNGER

"Scouting for Food" is our Good Turn to collect canned and packaged foods for our neighbors who are in need.

Scouts in your community have placed this reminder at your house to ask for your support.

On **the 2nd Saturday in November**, please place canned goods in a plastic bag and put it outside your front door in plain view of the street by 9:00 am. Scouts in your community will arrive after 9:00 am and collect your food donation.

Food collected by Scouts is distributed at no cost to hungry families through participating food banks.
