Subject: Request to be on Sept. 21st council meeting agenda
To: <rmixon@pennhillspa.gov>

Dear Ms. Nixon,

I am writing to request the opportunity to address the Penn Hills Council at its September 21 meeting at 7:00 p.m. regarding concerns about the placement and supervision of individuals with intellectual and developmental disabilities (IDD) in community-based residential homes that may not be adequately equipped to meet their behavioral and support needs while also protecting the safety of surrounding residents.

My neighbors and I are currently experiencing an extremely serious and ongoing public-safety situation involving an IDD resident placed in our neighborhood. On many occasions over the last year, this individual has entered neighboring properties, broken home windows, damaged vehicles, and threatened residents while carrying or using objects such as bricks, rocks, and lawn shears. The police have responded repeatedly; however, we have been told that there are limitations on the actions they can take because of the individual's disability and circumstances, so they never take her away.

We have also repeatedly contacted Creative Dialogues, the organization responsible for the individual's residential placement and supervision. To date, the primary response has been reimbursement for property damage rather than what we believe is an effective and sustainable plan to address the underlying safety concerns. I was recently informed by the organization's COO that Creative Dialogues will no longer reimburse residents for damages to their property, caused by their IDD tenant.

Our concern is not with community-based housing for individuals with IDD. We recognize the importance of ensuring that people with disabilities have access to appropriate, supportive, and inclusive living environments. Our concern is whether individuals with significant behavioral or supervision needs are being placed in residential settings that have the staffing, resources, safeguards, and level of care necessary to protect both the individual and the surrounding community.

We are asking Penn Hills Council for assistance in determining what oversight, accountability, safety requirements, and coordination with residential service providers exist for these homes within the municipality. We would also like to understand what options are available to residents when repeated incidents create legitimate concerns for their personal safety and property and when efforts to resolve those concerns through the police and the residential provider have not resulted in a solution.

I understand that there are a number of community-based residential homes operating within Penn Hills and believe this issue may extend beyond our immediate neighborhood. I would appreciate the opportunity to bring these concerns before Council and discuss what role the municipality can play in ensuring that community-based residential placements are safe and appropriate for the individuals being served as well as the neighborhoods in which these homes operate.

Thank you for your time and consideration.

Subject: Speaking at the council meeting

Good morning, Diane.

I am submitting a request to speak at the Council meeting on September 21, 2026, regarding my Right-to-Know request and the dumping that is occurring behind my property.

I believe the residents of this community have a right to know what materials are being brought onto this property, where they are coming from, how they are being handled, and whether all applicable laws, regulations, and safety requirements are being followed.

This situation is especially concerning because of the properties and homes located along Leechburg Road. Residents should not have to live with the possibility of being exposed to hazardous materials or chemicals as a result of a spill, fire, avalanche, runoff, or other incident. If hazardous substances were released, there is a serious concern about those materials reaching neighboring properties and potentially entering people's homes.

I believe this matter requires transparency, accountability, and immediate attention. The community deserves answers, and I am asking Council to take this concern seriously and ensure that the appropriate agencies investigate what is taking place and that any activity that is not in compliance with the law is stopped.

I look forward to addressing Council on September 21 and bringing these concerns forward on behalf of myself and the surrounding community.

Thank you

Flecia Harvey

**PENN HILLS TOWNSHIP COUNCIL
RESOLUTION NO. 46**

**A RESOLUTION OF THE PENN HILLS TOWNSHIP COUNCIL APPROVING THE
TRANSFER OF PENNSYLVANIA RESTAURANT
LIQUOR LICENSE NO. R-5733 INTO PENN HILLS TOWNSHIP FROM THE CITY
OF MCKEESPORT**

WHEREAS, Act 141 of 2000 (“the Act”), which amended the Commonwealth’s Liquor Code, authorizes the Pennsylvania Liquor Control Board to approve, in certain instances, the transfer of Restaurant Liquor Licenses across municipal boundaries within the same county regardless of the quota limitations provided for in Section 461 of the Liquor Code, if sales of liquor and malt or brewed beverages are legal in the municipality receiving the license; and

WHEREAS, the receiving municipality issues a resolution approving the transfer of the license outside the municipality to inside the municipality; and

WHEREAS, amendments to the Liquor Code stipulate that prior to adoption of a resolution by the receiving municipality, at least one public hearing is held for the purpose of permitting interested parties to state their concerns regarding the transfer of a Restaurant Liquor License into the municipality; and

WHEREAS, an application for transfer filed under the Act must contain a copy of the resolution adopted by the municipality approving the transfer of a restaurant liquor license into the receiving municipality.

NOW THEREFORE, BE IT RESOLVED, Bodhimaya, LLC has requested the approval of the Penn Hills Township Council for the proposed transfer of Pennsylvania Restaurant Liquor License R-5733, currently owned by Tube City Cafe, Inc. to its facilities within the Penn Hills Township at 11835 Frankstown Road, Penn Hills, PA 15235, with the understanding that said transfer must be approved at a later date by the Pennsylvania Liquor Control Board; and

BE IT FURTHER RESOLVED, that the Penn Hills Township Council held a public hearing pursuant to public notice on _____, 2026.

BE IT FURTHER RESOLVED, that the Penn Hills Township Council approves, by adoption of this Resolution, the proposed inter-municipal liquor license transfer of Pennsylvania Restaurant Liquor License No. R-5733 from Tube City Cafe, Inc. 901 Fifth Avenue, McKeesport, PA 15132 to Bodhimaya, LLC for use at 11835 Frankstown Road, Penn Hills, PA 15235.

RESOLUTION NO. _____
_____, 2026

PAGE 2

BE IT FURTHER RESOLVED, that the license transfer is subject to approval by the Pennsylvania Liquor Control Board.

I HEREBY CERTIFY that this Resolution was adopted by the Penn Hills Township Council at its public meeting held on the _____ day of _____, 2026.

Penn Hills, PA 15235
Email: dfitzhenry@pennhillspa.gov
ATTENTION: Diane Fitzhenry, Acting Municipal Manager

**RE: Bodhimaya, LLC; Request for Inter-Municipal transfer
of PLCB license: R-5733**

Dear Ms. Fitzhenry:

We represent Bodhimaya, LLC, a Pennsylvania limited liability company, who is seeking an inter-municipal transfer of Pennsylvania Restaurant Liquor License No. R-5733 from 901 Fifth Avenue, McKeesport, PA 15132 to the proposed business location at 11835 Frankstown Road, Penn Hills, PA 15235. The license is currently owned by Tube City Cafe, Inc. and is currently approved for use at 901 Fifth Avenue, McKeesport, PA 15132.

Pursuant to Section 461(b.3) of the Pennsylvania Liquor Code, we must first get the approval from Township before filing an application with the Pennsylvania Liquor Control Board ("PLCB") to transfer the liquor license from the City of McKeesport to Penn Hills Township. The Liquor Code requires us to request a public hearing before the Penn Hills Township Council for the purpose of taking public comments on the proposed transfer.

In accordance with the above referenced section of the Liquor Code, notice of the requested hearing must be published once each week for two weeks prior to the hearing in a newspaper of general circulation. Further, the first notice cannot be more than thirty days and the second notice cannot be less than seven days from the hearing date. Accordingly, we are respectfully requesting a public hearing before the Penn Hills Township Council to request approval of the transfer of Pennsylvania Restaurant Liquor License No. R-5733 from 901 Fifth Avenue, McKeesport, PA 15132 to 11835 Frankstown Road, Penn Hills, PA 15235.

We would appreciate if you would schedule the public hearing as soon as possible, as my client is anxious to obtain approval from the PLCB of the license transfer. The process of transferring a liquor license with the PLCB takes approximately 8 to 12 weeks and the Resolution from the receiving municipality approving the transfer is required to be attached to the application for transfer.

MEMO

Penn Hills Dept of Planning & Economic Development

To: Mayor and Council
CC: Diane G. Fitzhenry, Acting Manager; Sheree Strayer, Finance Director;
Marrie Griffin, Principal Planner; Kara Puszko, Planner
From: Meg Balsamico, Planning Director
Date: September 11, 2026
Re: Resolution for the 2027-2031 Capital Improvements Program

The Penn Hills Charter requires that the Capital Improvements Program is to be adopted in September followed by the adoption of the Annual Budget in December. It is the intent of the Charter that Mayor and Council adopt long range plans and objectives for the orderly growth of the Municipality. These plans and objectives are prepared for public review in the form of the Annual Capital Improvements Program. Attached is a resolution for the adoption of the 2027-2031 Capital Improvements Program. The Program provides a link between the Municipality's Comprehensive Plan and the Annual Budget. The Capital Improvements Program includes expenditures for items with a life expectancy of greater than five years. It is a policy statement for future projects for the five ensuing fiscal years.

I contacted each Department Head and received recommendations for future proposed expenditure and needs. The Program includes anticipated expenditures for each department. The Capital Improvements Program represents the long-range expenditures for street reconstruction, recreation, sanitary sewers, storm sewers and equipment with a useful life greater than two years for the next 5 years.

The capital program has been advertised, posted on the web site, and is ready for adoption.

A Public Hearing was held at August 24, 2026, Planning Commission meeting. There also will be a 2nd Public Hearing on the Capital Program to be held by Mayor and Council during the regular meeting and the consideration of the Resolution will follow.

MUNICIPALITY OF PENN HILLS

Resolution No. 2026 - 47

A RESOLUTION OF THE MUNICIPALITY OF PENN HILLS,
COUNTY OF ALLEGHENY, COMMONWEALTH OF
PENNSYLVANIA, ADOPTING THE 2027-2031 5-YEAR
CAPITAL IMPROVEMENTS PROGRAM

WHEREAS, the Mayor and Council Penn Hills desires to adopt long range plans and objectives to provide for orderly growth of the Municipality, and;

WHEREAS, the Municipality of Penn Hills is required under the Home Rule Charter to develop and adopt an annual Capital Improvements Program, and;

WHEREAS, the Mayor and Council has received testimony from the residents of Penn Hills in regard to proposed public improvements, and;

WHEREAS, the Mayor and Council has received recommendations from the Manager, the Department of Planning and Economic Development, and Department Directors, and;

WHEREAS, it is the intention of the program to provide direction toward implementing a wide variety of public improvements, and provide for the orderly growth of the Municipality,

NOW, THEREFORE, BE IT RESOLVED, AND THE SAME IS HEREBY RESOLVED, that the Council approve and adopt the 2027-2031 Capital Improvements Program.

THIS RESOLUTION APPROVED AND ADOPTED BY THE MAYOR AND COUNCIL OF THE MUNICIPALITY OF PENN HILLS on this _____ day of _____, 2026.

PAULINE CALABRESE, MAYOR

DATE

DIANE G. FITZHENRY, ACTING MANAGER

DATE

2027-2031 PENN HILLS CAPITAL IMPROVEMENTS PROGRAM

September 11, 2026

THE PENN HILLS CAPITAL IMPROVEMENTS PROGRAM:

On September 21, 2026, the Mayor and Council of the Municipality of Penn Hills will hold a public hearing to receive input on the 2027-2031 Capital Improvements Program. This public hearing will be followed by a resolution to approve the Capital Improvements Program as listed below. The Penn Hills Capital Improvements Program is a useful tool for the future growth of Penn Hills and preparation of the 2027 Annual Budget. The first Public hearing was held by the Planning Commission at their August 27, 2026 regular meeting.

The Penn Hills Charter requires that the Capital Improvements Program be adopted in September followed by the adoption of the Annual Budget in December. It is the intent of the Charter that Mayor and Council adopt long range plans and objectives for the orderly growth of the Municipality. The plan provides a link between the Municipality's Comprehensive Plan and the Annual Budget. These plans and objectives are prepared for public review in the form of the Annual Capital Improvements Program. The Capital Improvements Program outlines and identifies long-range expenditures that will be proposed over the next five years for street reconstruction, recreation, sanitary sewers, storm sewers, and equipment with a useful life of more than three years.

In preparation of the annual budget, Department Directors begin to assess proposed expenditures and projects for the coming year. The Capital Program is a useful tool in the preparation of the annual budget. The total Funding Sources and Department expenses are located on the first page of the Capital Program. As a result, the first page illustrates the total Capital Program for all departments, the funding sources and the current shortfalls in funding where projects may need to be extended over a longer period of time or additional funds obtained through grants or an increase in the Capital Fund. Each Department's proposed expenses are then listed below with individual line items. Street reconstruction for example is located in the Public Works Department on one line in addition to CDBG Street Reconstruction for the next five years.

The list of projects and vehicles is conservative and represents the basic needs of each department. Department Directors submit a realistic list of items and vehicles necessary to maintain the current fleet. The intent is to grow the Capital Fund over time. The current capital program is funded with a \$500,000.00 commitment from Mayor and Council. During budget time in coming months, perhaps Mayor and Council will increase the contribution to the Capital Fund.

In the future there is always a possibility that a large project such as a recreational complex or a new sewage treatment facility may be placed in the Capital Program. We have built a new library, a public works garage and a new municipal building. It would be listed in the Capital Program and then we would seek out additional funding sources to balance the projects and funding sources to pay for it. This is a working document that will be updated as additional grants and projects arise.

BUILDING IMPROVEMENTS:

Building Security Improvements will continue into 2027 utilizing various funding sources for the Government Center, Library, Senior Service Center and other public buildings. The COVID-19 pandemic revealed a lack of security and social distancing for the safety of both municipal employees and the public. In addition, general security for the building was lacking in the original design.

Security Improvements will allow the public to interact with municipal employees more safely and efficiently while adding additional security to municipal owned buildings.

STREET IMPROVEMENTS:

Penn Hills received a Grant from the State of Pennsylvania Multimodal Transportation Fund for \$3,900,000.00 for street improvements and for the Road Sidewalk Project. Penn Hills will continue to submit applications for Multimodal and other sources of funding in 2027 and beyond to continue with the robust street reconstruction program.

In addition, the Municipality of Penn Hills received a \$1,000,000.00 Federal grant for landslide remediation and stabilization for Old William Penn Highway. The design and engineering for this project is underway. Completion will take place in 2027 and 2028. The cost of this project is estimated to be 2,281,228. The Municipality will seek additional grant funding for this project through the Multimodal Grant Program. This project is a necessity as the road is in danger of failure if the mitigation of this landslide is not completed.

SIDEWALKS:

The Planning Department will continue to require the construction of sidewalks when new private development takes place. As new opportunities materialize, the municipality would hope for new sidewalks on Frankstown, Rodi, Saltsburg and Universal, particularly where new sidewalks would fill missing links and promote higher pedestrian activity.

The Municipality of Penn Hills received a Federal grant in 2023 with a focus on the Rodi Road Corridor for the completion of missing sidewalk links, accessible ramps, repair of existing sidewalks, installation of crossing improvements and other activities to improve the safety of Rodi Road for pedestrians. There is not enough funding in place to meet all of the sidewalk needs on Rodi Road so the project will include sidewalk replacements and will begin at the intersection of Rodi and Jefferson Roads and continue south on Rodi. The Rodi and Jefferson Road portion of this project has been bid out and will be awarded later this year and construction will begin in the spring of 2027. In 2026 Penn Hills was awarded a Multimodal Transportation Grants that includes

funding for \$1,900,000.00 for additional sidewalk repair and replacement which will consist of the repair and replacement of the existing sidewalks along Rodi beginning just past Marlow Drive and heading south toward Hoover Drive.

PUBLIC WORKS:

Besides the Street reconstruction projects described above, the Department of Public Works is expected to undertake other capital projects over the next five years. The DPW Department will continue to perform in house paving, storm sewer maintenance, and other projects in its efforts to "Making Penn Hills Better Every Day."

In the coming years covered by the Capital Program the Public Works Department has requested funding to purchase a one 5-ton truck and plow per year to keep the fleet in working order, a ¾ ton pickup truck. In addition, they intend to purchase a woodchipper to replace the existing woodchipper that has come to the end of its useful life. a 5-ton truck, front loader and backhoe. Planning has applied for another grant this year to purchase the proposed woodchipper and an additional 5-ton truck and plow to maintain the Public Works fleet.

Future Capital Improvements may include additional storm sewer work, increased funding for streets, the Thompson Run Road Bridge Renovation, the repair of the Old William Penn Highway landslide, Rodi Road improvements, the PRP Streambank Renovation Project and Traffic Signal upgrades.

GREEN LIGHT GO & AUTOMATED RED-LIGHT ENFORCEMENT (ARLE) TRAFFIC LIGHT GRANT PROGRAM:

Traffic signals are owned and maintained by the Municipality of Penn Hills. Traffic signal upgrades are an important part of the Capital Improvements Program and provide updated signals for the control of traffic and safety of vehicular and pedestrian traffic. Penn Hills was awarded an Automated Red-Light Enforcement (ARLE) Traffic Light Grant Program grant in the amount of \$565,292.00 to fund the upgrades at the intersection of Frankstown, Beulah, Coal Hollow and Laketon. The cost of this improvement was much higher than anticipated due to the market increase in the cost of materials. Penn Hills will be using Liquid Fuels Funds for the funding shortfall for this project. The project was completed this year, and we are in the process of submitting the reimbursement request to PennDOT. There were cost overruns for this project, and we will utilize Liquid Fuels Funds for the cash match for this project.

An additional Green Light Go Grant application was awarded to fund and upgrade the traffic signals and equipment at the intersection of Rodi, Jefferson and Universal Road in the amount of \$340,286.40. Upon the receipt of the contracts for this project, it is estimated that the design phase will begin in 2027 and it is anticipated that it will be completed in 2028 or 2029.

There is a 20% cash match required for this project and we will be using Liquid Fuels Funds for the match. The grant will provide upgraded equipment that will consist of the installation of new mast arms with new vehicular signal heads including retroreflective backplates, new pedestrian signal heads, and new controllers and cabinets with new wiring. The replacement of new signals and equipment at this intersections is greatly needed. The outdated and failing

equipment will be replaced with new equipment that will improve the safety for vehicular and pedestrian travel through these heavily travelled intersections.

Penn Hills staff will continue to apply for funding through the Green Light Go Grant Program in over the next five years. There was a study that was completed by Gateway which prioritized the order in which the traffic signals are to be replaced.

A typical traffic light project includes the removal of traffic control equipment that is outdated and in poor condition. The installation of new energy efficient traffic control equipment. The new equipment includes the following: post mounted signs, structural mounted signs, traffic signal supports, new mast arms, controllers, signal cable, junction box, LED pedestrian signal head, pedestrian push button and vehicular signal heads, digital wave radar detection unit and an acoustic preemption system for emergency vehicles, new junction box and electrical service and also an uninterruptible power supply, (UPS) will be installed. We will consider submitting an application for funding for the intersection of Sandy Creek/Coal Hollow and Verona Road through the Green Light Go Program in 2027 or 2028.

RECREATION:

Penn Hills Parks provide a great recreational amenity that often goes unnoticed. The Department of Parks and Recreation oversees the stewardship and development of 385 acres of recreational open space. There are 10 parks with playground and recreation equipment, a skatepark, soccer fields, baseball, softball fields, a football field and a dog park. The Assistant Superintendent of Public Works and Recreation Director proposes miscellaneous recreation and accessibility improvements to local parks utilizing local funding, and grant funding from State and Federal funds as well as other grants. Each of the parks is unique and has its own opportunities for recreation and open space. The proposed improvements will provide inclusive recreational opportunities for all Penn Hills Residents.

Universal and Penn Hills Community Parks receive the highest number of participants throughout the season. In 2023, the Recreation Department installed new accessible pavilions, picnic tables, parking pads and accessible ramps at Universal Park providing accessible access to all residents of Penn Hills with the assistance of a grant from the Pennsylvania Department of Conservation and Natural Resources. In 2026, Penn Hills also submitted a grant application to the Pennsylvania Department of Conservation and Natural Resources for the installation of accessible restrooms at Universal Park and for a new play structure with accessible features proposed.

Turner Friendship Park received a new splashpad in perfect time for the hot summer months. Enjoyed by many residents, this was a huge attraction in the summer of 2024. The splashpad was a long time in the making. This exciting project added the first water feature to the many activities offered by Penn Hills Recreation and provides fun for all ages and abilities during hot summer days.

In addition, the Recreation Department installed new playground equipment at Ross, and Meadow Parks with new playground equipment and safety surfaces.

Future years will include the installation of new playground equipment and safety surfaces at Penn View and Lee Parks.

Pickleball courts are in high demand throughout the region. A grant application was submitted to the PA Department of Conservation and Natural Resources in 2026 for a pickleball court and a new tennis court to be installed at Duff Park. In addition, the Recreation Department is improvements are underway at the skatepark and are expected to be complete in the spring of 2027. The 2030 Comprehensive Parks Recreation and Open Space Plan explores the possibility of a Penn Hills Recreation Complex; however, this will be a future proposed project in the Capital Program.

WATER POLLUTION CONTROL:

In 1998, a Federal Consent Decree was negotiated and signed. This Consent Decree required

numerous actions to be taken to improve the Penn Hills sewer system. The Municipality submitted a Plan of Actions to the DEP on March 29, 1999, in accordance with the requirements of the Consent Decree and subsequently completed all of the required actions.

In 2008, the Federal Consent Decree was dismissed, and the Municipality entered into a Consent Order and Agreement (COA) with the PA DEP. The consent order was similar to those entered into with other ALCOSAN serviced communities. The consent order required internal sewer televising, manhole inspections, structure dye testing and hydraulic analysis of the entire Penn Hills sewage collection system as well as completion of certain capital projects. By 2016, under the COA, all of the structures in Penn Hills were dye tested to eliminate illegal storm water connections and all sewer lines had been televised to determine where repairs were required. Repair of the problem sewer areas discovered by the sewer televising was then initiated.

In February 2016, Penn Hills executed a First Amendment with the PA DEP terminating the 2008 COA. Concurrently, the Municipality entered into a Phase I COA with the PA DEP which contained a limited scope of obligations which include conducting a source reduction study and a demonstration project. Phase I COA was completed and expired in 2018.

In October 2019, the Municipality entered into an Administrative Consent Order (ACO) with the Allegheny County Health Department (ACHD) for violations at the Plum Creek Sewage Treatment Plant. The corrective actions outlined include the replacement of existing UV disinfection unit and controls upgrades for the Jodie Lane Equalization Facility. These projects were completed in the summer of 2022. All terms and conditions of the Administrative Consent Order were met, and the ACHD approved the termination of the ACO.

Since 2008, the Municipality has spent over \$25 million on sanitary sewer improvements. This does not include the many millions of dollars spent complying with the prior 1998 Federal Consent Decree.

The Capital Plan presented shows \$25 + million in funding over the next five years to comply with the requirements of the WPCD Operation and Maintenance (O&M) Plan including continued sewer repairs, major sewer upgrade projects and closed-circuit sewer televising. New grant funding opportunities will be persistently requested to supplement these costs. Penn Hills is currently in full compliance with the consent decrees and Administrative Orders and is expected to continue this full compliance.

Highlights of the 2027 Capital Program includes manhole to manhole liners of 2,100 +/- linear feet of the sewer lines, sealing existing manholes, and repairing/sealing the tap connection on affected laterals. Other projects include yearly required O&M compliance, new Jet truck payment, facility wide SCADA upgrade, Long Road Pump Station generator and air handler upgrade, Plum Creek Wastewater Treatment Plant grit removal system and concrete repairs; Consent Order (catch up on outstanding spot liners from back-log), concrete work at Gascola EQ, security upgrade at various facilities, and lighting upgrades. Lead time and pricing for these projects are also largely

increasing. It should be noted that this list does not include professional service fees or emergencies that may arise throughout the year.

Approximately \$5 million dollars of additional projects are unfunded that WPCD would like to include in the above list. Projects include the Rosedale sewer project, adding a sewer line(s) to Duff Road, and adding a sewer line to Nadine Road.

PLANNING DEPARTMENT:

Penn Hills partnered with Oakmont, Verona and Plum on an Active Allegheny Grant to fund a feasibility study for a Verona, Oakmont, Penn Hills, Plum Trail Connector that would connect the Allegheny Riverfront to Boyce Park. The study was completed in the Spring of 2020. The study is useful in our efforts to apply for additional funding for land acquisition, development and construction; and is available on the Penn Hills website.

The proposed trail will begin at Steel City Rowing and pass by Riverside Park in Verona, Creekside Park in Oakmont, Penn Hills and Milltown Parks in Penn Hills and then on to Plum Creek Park to Boyce Park in Plum. Penn Hills recently acquired a mile of abandoned railroad right of way land for the trail in the vicinity of Milltown Community Park and Oakmont acquired several miles of railroad right of way in Oakmont and Plum. Penn Hills received a \$1,173,000.00 Trail Development Fund Grant in 2022 for the design and engineering for the entire 13-mile trail. This was completed in 2025. In 2023, the Planning Department received an additional \$70,000.00 grant for the restoration of a bridge in the Milltown Portion of the Trail from the Commonwealth Financing Authority. In 2024, the Planning Department submitted grant applications of \$1,925,302.50 to the Pennsylvania Department of Conservation and Natural Resources and Commonwealth Financing Authority for the construction of the Milltown portion of the trail. This portion of the trail will go from the former railroad bridge at Boda Road to Jodie Lane and complete the Penn Hills portion of the VOPP Trail. This project is underway and construction is expected to begin in the spring of 2027.

Relying on state and federal money we continue to propose long range plans to acquire riverfront property for a bikeway, trail, boat access ramp, and riverfront park in addition to the trail to Boyce Park. We will continue to apply for grants throughout the years of the Capital Program for both acquisition and development funds if an opportunity emerges. The Penn Hills Planning and Recreation Departments will continue to work with the Fish and Boat Commission, local community groups and organizations, and the Friends of the Riverfront towards this effort. In addition, the

Planning Department has submitted grant applications on behalf of Parks and Recreation for improvements to Duff Park and Universal Park. A Pickle Ball Court, a Tennis Court and new fencing are proposed for Duff Park. ADA upgrades to the restrooms and an the installation of an accessible play structure are proposed for Universal Park.

THE COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM:

Approximately 3.5 million dollars is projected to become available over the next five years for the Penn Hills Community Development Program. FY2026 is the 52ND year for the Penn Hills CDBG Program. The program year began on July 1, 2026, and will end on June 30, 2027. It is 100% federally funded. CDBG hearings take place each year in February and Mayor and Council will adopt the CDBG Action Plan and budget separately from the Capital Program and Capital Budget in May or June of each year. The CDBG Program funds a wide variety of projects designed to benefit low- and moderate-income residents of Penn Hills. The low/mod areas include block groups where greater than 51% of the residents are low income. They are highlighted in yellow on the adjacent map. Current Capital Improvements include Street Reconstruction, Accessibility Improvements at the YBMKQ De'Avry Thomas Community Center, Lincoln Road Multi-Purpose Center, the Penn Hills Senior Citizen's Center, and the William McKinley Citizen's Center.

CONCLUSION:

The 2027–2031 Capital Program is funded through balances from the 2026 Capital Fund account in the Penn Hills Budget, previous bond issues, the sewer fund, and state and federal grants. Funding for proposed 2027 projects is currently available or being actively pursued. Projects planned for 2028–2031 remain unfunded. Future projects may be funded with state and federal grants, new bond issues, or other revenue sources that have not yet been identified.

MUNICIPALITY OF PENN HILLS

ORDINANCE NO. 2026- 2715

AN ORDINANCE OF THE MUNICIPALITY OF PENN HILLS, ALLEGHENY COUNTY, PENNSYLVANIA, AMENDING CHAPTER 265, SHADE TREE COMMISSION, SECTION 265.02, STRUCTURE, OF THE ADMINISTRATIVE CODE TO INCREASE THE MEMBERSHIP OF THE SHADE TREE COMMISSION FROM SEVEN (7) MEMBERS TO NINE (9) MEMBERS.

The Municipality of Penn Hills hereby ordains:

SECTION 1: That Chapter 265.02, (a) and (b) of the Codified Ordinances of the Municipality of Penn Hills are hereby amended to read as follows:

- (a) The Shade Tree Commission shall consist of ~~seven~~ **nine** members appointed by the Mayor and Council. The Shade Tree Commission shall adopt its own operating procedures consistent with established guidelines. The Commission shall report whenever deemed appropriate to the Mayor and Council but at least annually.
- (b) The names and terms of the original commission members shall be:
 - 1 member for a three (3) year term
 - 1 member for a three (3) year term
 - 1 member for a three (3) year term**
 - 1 member for a two (2) year term
 - 1 member for a two (2) year term
 - 1 member for a two (2) year term**
 - 1 member for a one (1) year term
 - 1 member for a one (1) year term
 - 1 member for a one (1) year term

SECTION 2. REPEALER. All ordinances or parts of ordinances inconsistent with the provisions of this Ordinance are hereby repealed to the extent of such inconsistency.

SECTION 3. SEVERABILITY. If any provision of this Ordinance is determined to be invalid or unenforceable by a court of competent jurisdiction, such determination shall not affect the validity of the remaining provisions of this Ordinance.

SECTION 4. EFFECTIVE DATE. This Ordinance shall become effective in accordance with applicable law following its adoption.

THIS ORDINANCE APPROVED AND ADOPTED BY THE MAYOR AND COUNCIL OF
THE MUNICIPALITY OF PENN HILLS ON THIS _____ DAY OF
_____, 2026.

Pauline Calabrese, Mayor

Date

Diane G. Fitzhenry, Acting Manager
