Owl Prowl

December 6

Emig Park

The Owl Prowl is returning to Emig Park for the fourth year! WHOOOO will be hanging out in the park after dark this year? Be introduced to the owls that live in the park and possibly your own backyard. Explore the unique features that help put them at the top of the food chain. Look inside an owl pellet, learn their calls, touch the feathers, feet and skulls of these amazing creatures. Learn to identify them by sight and sound. Call to the wild owls that live in the park and hope they call back to us. This program is a hoot in many ways!

Program is FREE, but registration is required. All ages welcome.
