PUBLIC COMMENT POLICY OF THE BOROUGH OF LITTLESTOWN

Resident/taxpayer: Borough Council will give residents and/or taxpayers the right to provide public comment on issues that are or may be before Borough Council at time(s) in the agenda to be set by Council. These matters are defined by the Borough Code which sets forth the powers and responsibilities and delineates the corporate and specific powers of Borough Council. Public comment is not intended for the purpose of solely reciting or reading legislation, ordinances, or other such documents.

Public comment is not a question-and-answer session; it is time available to an individual to provide their comments regarding a matter of borough business that may come before the elected officials.

In addition to any designated public comment period, during the course of each regular and/or special meeting, residents and/or taxpayers may also be recognized at the discretion of the Borough Council President, Vice President or president pro tempore (hereinafter the "presiding officer"), whoever is presiding over the meeting on behalf of Borough Council, in order to provide comments or information which may be helpful to Borough Council in its deliberations on a matter before Borough Council.

Nonresident/non-taxpayer: Extending the courtesy of public comment to nonresident/non-taxpayer individuals is at the discretion of the presiding officer. If a nonresident/non-taxpayer wishes to address Borough Council on a matter for official action or a matter of concern, Borough Council may extend the courtesy of public comment and may want to provide for this comment, especially if the individual(s) has information that may be helpful or in the best interests of the Borough, for Borough Council to consider.

Name and address: The Presiding Officer will request that all citizens addressing Borough Council to state their full legal name and their full legal address for the minutes (as required by the Sunshine Act). In lieu of a public pronouncement, the Borough Secretary is permitted to take one's name in writing either directly during public comment or from a required sign-in sheet at the entrance to the room.

Time limits: The purpose of a time limit is to assure that all wishing to speak have the opportunity to do so, that all shall have an equal opportunity to speak and that the Borough Council shall receive all comments on matters for official action prior to voting, and that Borough Council shall be able to conduct the required business of the meeting agenda. Each person to address Borough Council during public comment shall be provided a maximum of three (3) minutes.

In certain circumstances, including if a large crowd wants to speak, a time limit of fewer than three (3) minutes may be utilized due to a desire to accommodate as many individuals during public comment as time allows, the presiding officer shall indicate the limit at the beginning of the public comment portion of the meeting and such limit shall be uniformly enforced during the meeting. In no case shall a time limit of fewer than two (2) minutes be designated.

On any given subject, no more than one (1) public speaking opportunity will be afforded to any speaker. Time cannot be yielded to another speaker.

The presiding officer shall designate the timekeeper, usually the Borough Secretary. The speaker will be told when one (1) minute remains on time.

Written comments: There is no limitation on the submission of written comments, which may be used as a substitute for time to speak at a Borough Council meeting. Written comments can be submitted to the Borough Secretary before, during, or after any public meeting. In the event that an individual desires to provide written comments to Borough Council prior to a public meeting, such written comments must be received by the Borough Secretary in hard copy or electronically no later than 3:00 p.m., prevailing time, the day of the meeting.

CONDUCT AND PROTOCOL:

- a. All public comments shall be directed directly to the presiding officer, who will provide a response if appropriate. The speaker shall not address any other person in the room unless in response to a direct question permitted by the presiding officer. This shall include comments related to any presentation made to Borough Council. In those instances, the presenter, when asked to make responses, shall also do so through the presiding officer.
- b. If a member of Borough Council has information he or she wishes to offer, the member may request to be
