Dear North Wales Borough,

It has come to my attention that Brittany Kohler has resigned from the North Wales Borough Council and would like to inform the North Wales Borough of my interest in backfilling this role's responsibilities until January 2025.

Please let me know the next steps in the process if you still need a backfill for this position.

Borough Council of North Wales Borough

Dear Council Members,

I am writing to express my intent to serve as a member of the North Wales Borough Council. As a resident of the borough for 4 years, I care about our community and wish to contribute my time and skills toward ensuring its continued growth and success.

I have wanted to get into small town government for a while. My father served on both Borough council of Silverdale and along with a committee for the Pennridge Region. Seeing his involvement sparked interest in myself. I see the kinds of influence and change he was able to have on his community, and it was inspiring to me. I can remember many conversations we had about things he was working on and improvements at every level.

I have enjoyed my time as a Boy Scout Leader for both Troop 67 and Cub Scout Pack 189. Both of those experiences have shown me how important and rewarding it is to give back to the community.

As a community of North Wales, we need not a Republican or Democrat. No, what we need is common sense. We need people who understand what the community wants and will work to put forth the effort to enact those changes.

I truly hope to be a part of this council and appreciate your time and energy spent considering on my behalf.

Sincerely,

Zane N. Swanger

Attn; Borough Council of North Wales PA

In 2022 we found out that our family was being transferred to the area for my wife's job at Merck. I was excited to be coming "home" to the area after over three decades away. I want to build community so that our kids can continue to grow up in a place that nurtures them. I see North Wales as a place where neighbors help each other and take pride in where they live. I feel that my particular skill sets would be beneficial to the Council and I know it would be a privilege to serve.

I have spent the last few years renovating our home. I took great care and effort to keep the charm and uniqueness of our home while updating it to better serve our needs as a family. I see the Borough in a similar way, there is charm and uniqueness in the DNA of the Borough and within that, a space to update in ways that best serve the needs of the community. Everything from the Parks and Recreation, to business development and the continuing efforts to create a robust main street. These things that are on display in the Summer Kick off event and North Wales Day are at the heart of the community and can be the building blocks from which we create the place that people want to be a part of.

I believe that Borough Council would be the place where I can best serve my community and I hope that you would earnestly consider allowing me to do so.

Thank you,
Jeff Ferguson

Mr. James Schiele
Mr. Joseph DelCiotto
Mr. Ray Tschoepe

Applicant in Attendance: Mr. and Ms. Ian Spaulding, Mr. Tom Edger of Patio Enclosures

Action: **Approve as presented with qualifications**

Qualifications:

1. Add outward depth to existing columns
2. Install a balustrade between the new column additions.
- no material specified. Can be synthetic or composite
3. Add fascia to mimic existing fascia
4. Final plan approval with the final design submitted by Mr. Tom Edger of Patio Enclosures.

Findings of Fact: The Secretary of the Interior's guidelines recommend:
Designing enclosures for historic porches when required by
the new use in a manner that preserves the historic character
(design) of the building. This can include using large sheets of
glass and recessing the enclosure wall behind existing
scrollwork, posts and balustrades.

Note to Council – The building in question is in the historic
district and although not technically “historic”, it was
faithfully designed (approx.. 25 years ago) to model a late
19th/early 20th century style (Homestead style). It is an

archetype for residential infill. As a result, we have relaxed the strict requirements of the "guidelines" by recommending the reinstallation of the balustrade in a position that allows the overall design to be evident without requiring the removal of the recently installed enclosure. The applicants seem pleased with the compromise.

Recommendation to Council: Issue certificate of Appropriateness

ATT: Borough Manager, Christine Hart
Borough of North Wales
300 School St
North Wales, PA 19454

Christine,

Please accept my resignation from my position on Parks and Rec and Shade Tree Commission.

I was trying to make it to the end of my appointment however, it seems as if I am having conflict with my obligations more often than not.

Due to Personal Health issues, work load and a family matter I am unable to continue my position.

Everyone on the board works so hard and I cannot give the time and attention at this time. I do not feel that is fair to the team.

Due to Personal Health issues, workload and a family matter I am unable to continue my position.

Thank you so much for allowing me to work with the board for the past few years. It has been a fun and rewarding experience.

Sincerely,

Robin Parker

North Wales Borough Council

Colleagues

I am selling my house and leaving the Borough. I am therefore writing to inform you of my decision to resign from Borough Council effective Wednesday, 27-Aug-2025.

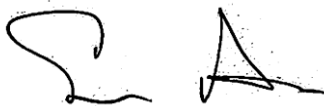

It has been an honor and a great pleasure to serve on this elective body and to represent my community for the ten years that I've been on council.

I wish to thank our residents who gave me the opportunity to serve and who, by electing me, gave me the rare opportunity of serving side-by-side with dedicated public officials, a highly effective borough management team under the keen eye of Borough Manager Christine Hart, and a most remarkable police department led by Chief Erenius.

I have learned a lot while serving on council and I'm thankful that I've been allowed to play a part in some very consequential decisions which continue to bring benefit to the North Wales community.

Thank you for allowing me to serve as your Council President these past two years and I wish the entire council continued success in their efforts to better serve our community.

Sincerely,
