(Add-On) IPAWS	\$25	\$300

There is a one-time marketing/setup fee of **\$400** that will be added to your first payment.
Choosing to pay yearly offers a discount of **\$169** per year over the monthly plan.

Special Item Explanations:

- **Website Plugins** is an optional add-on that allows you to put your Savvy Citizen content directly on your own website. Don't put up with the hassle of entering your community information twice.
- **Targeted Notifications** is an optional add-on that allows you to send notifications to people in geographic areas. You can create custom zones on an interactive map and send targeted notifications to residents in that area.
- **IPAWS** is an optional add-on that allows you to send alerts through FEMA's national alert system. To use this, you will need to additionally work with FEMA to gain access.
- **The Marketing/Setup fee** is an at-cost amount used to advertise your use of Savvy Citizen to your residents. This can include such things as Facebook advertising, road signs, handouts, etc. that the Savvy Citizen team will create and manage for you. The amount shown above is a suggested amount to spend and can be adjusted during the registration process.
