

### **Join Us in Transforming Mount Pocono Parks and Recreation**

The Mount Pocono Parks and Recreation Foundation urgently seeks passionate individuals and visionary business leaders to join our monthly meetings. Our mission is to uplift the lives of Mount Pocono residents by providing unwavering support to public parks and recreation programs. We achieve this through dedicated volunteer work, generous charitable contributions, and crucial financial support. By raising funds, accepting gifts, and mobilizing resources, we bring projects to life that strengthen our community's fabric.

But we can't do this alone. To fulfill our mission and offer these vital services, we need the heartfelt generosity and active participation of businesses and individuals like you.

Please, help us make a lasting impact. Send your interest letter to Patty Arnold [mtpoconofoundation@gmail.com](mailto:mtpoconofoundation@gmail.com) today. Together, we can ensure a vibrant and enriching future for Mount Pocono.
