Hop Aboard CATA's Holiday Bus and Head to Light Up Downtown

STATE COLLEGE, Pa. — The Centre Area Transportation Authority (CATA) is excited to unveil a specially decorated holiday-themed bus that will spread seasonal cheer throughout the community during the holiday season.

This year's holiday bus features a festive Grinch theme, complete with holiday décor and a destination sign that proudly displays "Grinch Bus" as it travels across the CATA service area.

The holiday bus debuts this Thursday, Nov. 19, offering riders a fun and cheerful way to travel this holiday season.

Community members are invited to ride the holiday bus to Light Up Downtown, hosted by the Downtown State College Improvement District, on Thursday evening. The bus will depart from Research Drive on the College Ave (CC) route at 4:33 p.m.

"We're excited to provide a little extra holiday sparkle to our riders and community this holiday season," said CATA CEO Todd Horsley. "Whether you're heading to Light Up Downtown or traveling around town, we hope our holiday bus helps make your season a little brighter."

Riders can track the holiday bus beginning Thursday, Nov. 19 through Jan. 4 using an online bus tracker at catabus.com/HolidayBusTracker.
