CATA Announces Public Meeting

An opportunity for community members to hear about CATA services, ask questions, and share feedback.

STATE COLLEGE, PA — The Centre Area Transportation Authority (CATA) will host a public meeting from 4 to 6 p.m. Wednesday, Sept. 9, 2026, in the Downsborough Community Room at Schlow Centre Region Library, 211 S. Allen St., State College, PA 16081. A virtual option will be available on Zoom. Participants can find the meeting link and details on CATA's website.

The meeting will include a short presentation on CATA services and recent updates, followed by a Q&A and public feedback session. Attendees will learn about new service changes, apps and tools for trip planning, and ways public transit can reduce congestion, lower environmental impacts, and save money on gas and parking.

The public is encouraged to attend, whether they currently ride CATA or want to learn more about local transit options. A reusable tote bag will be offered to attendees as a thank-you for participating in the meeting.

If an auxiliary aid or service is needed for a person with a disability, please call (814) 238-CATA (2282) or email cata@catabus.com at least five days prior to the meeting.

A separate meeting, held in cooperation with Penn State Transportation Services, will be held for students, faculty, and staff from 1 to 2 p.m. Wednesday, Sept. 9, in the Transportation Services Office conference room at the Eisenhower Parking Deck. A virtual session for the campus community will be offered Monday, Sept. 14, from 11 a.m. to noon.

About CATA

The Centre Area Transportation Authority (CATA) is a municipal authority serving five Centre Region municipalities: State College Borough and the townships of College, Ferguson, Harris, and Patton. Our mission is to deliver safe, reliable, accessible, and affordable transportation, provided in a courteous and environmentally, fiscally, and socially responsible manner.
