GUIDE TO USING THE BUDGET

At first glance, the budget appears to be pages after pages of numbers. Yet, the budget is more than numbers. It establishes the financial direction of the Municipality and reflects program decisions and corresponding activity levels for all Municipal departments. The budget is the result of a dynamic process requiring continual adaptation to changing circumstances. This section is intended to facilitate the citizens' understanding of the budget document. The budget format is designed to allow government officials, the public and media to readily assess the fiscal condition of the Municipality and identify spending priorities.

The Manager's Message provides a narrative of the highlights of the annual budget and policy recommendations for Mayor and Council to improve the financial stability of the Municipality.

The first few pages of the budget provide a Table of Contents and overall Budget Summary which includes total revenues and expenditures for the operating funds of the Municipality: The General Fund, Storm Sewer Fund, Sewer Usage Fund and Highway Aid Fund, Capital Fund, American Rescue Plan Fund, and the Municipal Building Fund. An Organization Chart is also provided for reference.

For each operating fund, line accounts are used to delineate all revenues and expenditures for each municipal department and division.

Most of the Municipality's revenues are received through the General Fund. Although there are numerous line-item accounts, the majority of the General Fund revenues are represented as real estate tax revenue, earned income tax, deed transfer tax, occupational privilege tax (LST), and business and mercantile taxes. Similarly, the expenditures for each line account for those departments funded through the General Fund are presented. A narrative is provided for each department which describes the department's function, capital outlay and a comparison of prior year to current year staff positions and their corresponding salaries.

The Storm Water Fund creates revenue generated through the storm water fee that was adopted with the 2020 budget. Most of these revenues will be used to make storm sewer repairs throughout the Municipality. Operating expenses for the Storm Water Fund appear in line accounts within this fund.

The Sewer Usage Fund contains the revenues generated through the operation of the Municipality's sewage conveyance and treatment system. Most of these revenues are realized through user fees. Operating expenses for the Water Pollution Control Department appear in line accounts within this fund.

The Highway Aid Fund is funded by revenue received from the State which is generated by way of a per gallon tax on gasoline and other fuels as well as oil franchise tax and is allocated to local governments based upon mileage and population.

The last four sections of the Budget contain the Capital Improvements Budget, the Municipal Center budget, the American Rescue Plan Fund, and the Vehicle List. The Capital Improvements Budget presents plans for major capital projects primarily financed through Bond Issues. The Municipal Center budget shows construction costs for the new Municipal building. The American Rescue Plan Fund also called the COVID- 19 Stimulus Package are funds received to help in the recovery from the economic and health effects of the COVID- 19 pandemic. The vehicle list has an up-to-date listing of all municipal vehicles.

To: Mayor and Council  
From: Scott Andrejchak, Municipal Manager  
Date: Monday, October 28, 2024  
**RE: SUBMISSION OF 2025 OPERATING BUDGET**

Attached is a balanced operating budget that consists of General Fund, Sewer Fund, Liquid Fuels Fund, Capital Improvement Fund and the Storm Water Fund. The Budget submitted meets the requirements set out in the Home Rule Charter under Article 8, §6. This budget message is intended to fulfill Article 8, §5, which requires that the Manager submit a summary of the proposal. That has meant a broad overview of the current financial condition, with emphasis placed on major changes in the year upcoming, along with a general overview of the financial picture. As impossible as it is to encapsulate in a few pages how millions of dollars are allocated over 12 months, this has also been one of the only official opportunities to share a simplified explanation of Penn Hills finances to a general audience and share key highlights about the Municipality's finances. This message is meant to be combined with the upcoming budget hearings and presentations that are scheduled in November. Anyone that follows the meetings of Penn Hills and knows the demands on this office, realizes that it is extremely busy with 2024 bringing about unique, if not exceptional challenges.

The 2025 budgets are realistically balanced based on responsible revenue projections and the best expense estimates that can be made with the most current information. The Municipality is under the same inflationary pressures as any other employer, public or private. And, in fact, Penn Hills is also absorbing the costs of refuse/recycling service increases, when those have always been funded through increases in

real estate taxes. The stabilized financial situation allowed Penn Hills to postpone revenue increases to pay for those services. **While Penn Hills finances are improved – Standard and Poor’s improved Penn Hills credit outlook and the organization’s fund balance is healthy, the municipality is now at a post-stimulus inflection point in terms of what direction the budget and finances will take in the next few years.** Will the Municipality deficit-spend (as it did from 2013-2019) and revert to where it was a few years ago or will it maintain a stable fund balance in the next few years through revenue adjustments and/rational cost reductions?

Penn Hills finances have dramatically improved because of American Rescue Funds and the choices the Mayor and Council made since 2020:

**The 2025 budget maintains existing service levels through a proposed 2-mill real estate tax increase.** The 2-mill increase will raise approximately \$3 million of additional revenue. Public records show that since 2001, I have prepared and proposed at least twenty-three (23) municipal and/or county budgets. If those budgets were gathered for review, you would find that only two of those had a real estate tax increase in it. That is because I have never proposed a real estate tax increase to a governing body, unless the increase was justified by the totality of the circumstances, was combined with cost reductions, and was justified to recommend for the overall financial health of the organization.

**Where is the evidence to support that Penn Hills is controlling its costs?**

The best evidence of how Penn Hills is controlling its costs is to look no further than the 2023 audited financial statements (attached). In 2023, there was \$1.1 million reduction in the Municipality's fund balance. *That means that when you look at the entire \$36 million general fund program of work completed in Penn Hills during 2023, as an entire municipal government just \$1.1 million separated revenues and expenses.* Even with all of the pressures and challenges, when 2023 closed, the deficit to the fund balance was just over \$1 million dollars. If the same deficit occurred in 2019, it would have left the Municipality with less than \$3 million in reserves, which is why the timing of the American Rescue Funds could not have been better. Those funds allowed the Municipality to survive financially without deep service cuts or large tax increases.

The fact there is a \$13 million fund balance is directly related to the priorities and plans that Penn Hills made over the last several years. The deficit would be much more significant if the Manager, Mayor and Council had spent the American Rescue funds another way or completed other projects, for which there was no shortage of suggestions and desires. If the Municipality had acquiesced to all of the demands made by the community, residents and labor groups, there would be less fund balance today.

Because the proposed millage increase is one of the only major changes in the 2025 budget, I plan to dedicate a significant portion of the 2025 budget presentation in November explaining why there is a need for more revenue and to show the public how far Penn Hills has come, how the organization's funds have been managed over the last few years, and why **there is a renewed need for Penn Hills Municipality to institute a fund balance policy in 2025**. It is a critical item that will determine the general direction of the Municipality for the next three years. In 2028, Penn Hills repays a general obligation bond, and over \$4.2 million will be freed to reprogram into Penn Hills' budget. It will absolutely be the choices of the Mayor, Council and community whether Penn Hills reaches that financial milestone with stability or whether it gets there with a diminished financial capacity and a return to financial instability, with a future emergency need to rebuild its finances. If the latter is the outcome, it will only be due to the choices that are being made between now and 2028. Deficits are not new in Penn Hills budgets. Penn Hills had deficits in each year between 2013-2019, and so the deficit in 2023 is not new. It is only a question of whether Penn Hills wants to continue the same practices that preceded the American Rescue funds and have a reduced fund balance year-over-year, or whether it wants to plan for a financially trajectory that is adequate to meet the needs and future challenges of the community.

There are multiple ways for the public to review the budgets and give input. On Monday, November 18 at 7PM the first budget hearing will be held. On November 25 at 7PM a second budget hearing will be held. The format of those hearings is somewhat flexible and up to Mayor and Council. I am anticipating those hearings to be an opportunity for me to further explain our financial outlook, the challenges we face and why 2025 is probably the time for Mayor and Council to consider a revenue adjustment.

FUNCTION: Purchasing

The Purchasing Division is headed by the Municipal Manager. This department is responsible for the preparation of the contract documents and specifications for the purchasing of supplies, equipment, services and municipal projects, processing of requisitions and custody of related records. The purchasing function is established as a separate division under the Department of Administration. This provides the Purchasing division with direct access to the Municipal Manager, allowing for coordination of all municipal purchases.

FUNCTION: Investigative Division

The Investigative Division is responsible for investigating all crime and suspected illegal activities within the Municipality, including organized crime and illegal drug trafficking. Investigations include both adult and juvenile offenders. Juvenile officers are trained to conduct investigations involving suspected child abuse, child neglect and juvenile delinquent cases in addition to promoting crime prevention in the community through various outreach programs. Investigators assigned to this division work closely with Federal, State and local law enforcement agencies.

FUNCTION: Educational Service Agency

The Adult School Crossing Division provides for the safety and welfare of all school children walking or riding buses to school. Guards maintain order at school bus stops and file written reports on motor vehicle violations that threaten the safety of school children. They may also supplement police officers at parades and other special events. The Penn Hills School District reimburses the Municipality for fifty percent (50%) of all direct personnel costs. Guards are under the direct supervision of a sworn police officer.

FUNCTION: Fire Suppression

The Fire Suppression Division includes all municipal expenditures which are directly related to the six (6) volunteer fire companies serving the Municipality. The Municipality provides an annual subsidy of \$68,755.00 to each volunteer fire company. In addition, the Municipality pays fire hydrant charges to the respective water utilities, worker's compensation premiums for volunteer firemen, liability insurance on fire vehicles and fuel for fire trucks.

FUNCTION: Fire Prevention

The function of the Department of Fire Prevention is to provide for the protection against fire of persons and property within the Municipality. This is realized through the implementation and enforcement of the Fire Prevention and Building Codes, as well as other ordinances. Fire prevention involves the identification, removal, and control of fire and related hazards, the investigation of fires and explosions, and the presentation of public fire education programs. The department also is responsible for the preparation, review, and management of emergency operations in conjunction with related County, State and Federal Agencies. This department is headed by the Fire Marshall who reports directly to the Chief of Police. The Fire Marshall is also the director of Code Enforcement.

FUNCTION: Emergency Medical Services Division

The Emergency Medical Division provides 24-hour professional emergency medical ambulance service for all citizens within the Municipality. This division is staffed by highly-trained Paramedics who are capable of using the most advanced techniques in emergency medicine. The ambulance units function as an extension of the hospital emergency room under the direction of a medical advisor. The division is headed by a Supervisor of Emergency Medical Services who possesses specific expertise in the administration of emergency medical services operations. The supervisor of this division reports directly to the Chief of Police.

FUNCTION: Code Enforcement

The Department of Code Enforcement provides enforcement of various ordinances and codes, relating to zoning, building, grading, street openings, sewer tap-ins and occupancies. Code Enforcement also assists in processing applications which are brought before the appointed Zoning Hearing Board. Enforcement Officers also provide inspection services for municipal capital projects such as streets and storm/sanitary sewers. This department is headed by a director who reports directly to the Municipal Manager.

FUNCTION: Planning & Economic Development

The Department of Planning and Economic Development provides administrative support to the Mayor and Council and Municipal Manager on all matters relative to community planning and development of the Municipality. This includes the development of a Municipal Comprehensive Plan, a Municipal Land Use Plan, revisions of planning-related ordinances and review of applications for rezoning, subdivisions and site plans. The department is also responsible for the development and administration of owner-occupied housing rehabilitation plans. The department also develops and administers the Community Development Block Grant and 701 Planning Programs. Finally, the department performs grant writing and subsequent contract administration for Federal and State grants for most municipal departments. The department is headed by the Director of Planning and Economic Development who reports directly to the Municipal Manager.

FUNCTION: Recreation Department

The Recreation Department is responsible for developing and administering a wide variety of recreational programs and activities for all residents of the Municipality. This department utilizes all resources available, including public and private agencies, to meet the increasing recreation responsibilities and needs of the Municipality. The Department of Recreation also provides safe and clean parks and facilities for the comfort and convenience of Penn Hills residents. The Department of Parks and Recreation is under the direction of the DPW Supervisor who reports directly to the Municipal Manager. An appointed Recreation Advisory Council serves in an advisory capacity to Mayor and Council.

FUNCTION: Library Contribution

The Municipality provides a yearly allotment to the now non-profit Penn Hills Library. This contribution helps the Library to maintain a collection of books, periodicals, records, newspapers and general reference material. In addition to the Municipal allotment, the Library receives direct State aid and Regional Asset District monies, which it expends primarily for books and additional salaries. A seven-member Board of Directors is appointed by the Mayor to serve three-year terms. The Board of Directors serves in an advisory capacity to Mayor and Council on the operation of the Library.

STORM WATER FUND

FUNCTION:

The Storm Water Fund was created in 2020 to fund storm sewer repairs throughout the Municipality. The main source of revenue for this fund comes from the storm sewer fee that was put in place at the beginning of 2020.

FUNCTION: WPCD Contracted Disposal

The Contracted Sewage Disposal accounts contain the costs for residents who are serviced by the Allegheny County Sanitary Authority. For every resident whose sewage is conveyed to ALCOSAN for treatment (approximately 75% of the Municipality's customer base), the Municipality is directly assessed, by ALCOSAN, an estimated charge of \$14.69 per 1,000 gallons.

HIGHWAY AID FUND

FUNCTION:

The Highway Aid Fund represents an annual allocation from the State which is primarily derived by a per gallon tax on gasoline and other fuels and an oil franchise tax. Allocations are made to local governments based upon mileage and population.

The Municipality may pay for the following items out of this fund: salt and cinders, utility charges for street lights, road materials, crosswalks and line painting and equipment and machinery.

AMERICAN RESCUE PLAN FUND

The American Rescue Plan funding was and will be received by the Municipality in 2021 and 2022, in order to help combat some of the negative impacts from the COVID-19 Pandemic. Following the guidelines set forth in the American Rescue Plan Act of 2021, the Municipality plans to use these funds to make necessary improvements throughout the Municipality.
