**NOTICE TO CEDAR KEY CITY RESIDENTS
AND COMMERCIAL ENTITIES**

**SOLID WASTE DISPOSAL FEE
INCREASE**

Effective October 1, 2026

On September 8, 2026, the Levy County Board of County Commissioners approved a resolution increasing tipping fees at the landfill effective October 1, 2026. As a result, Waste Pro has increased the amount charged for solid waste services to Cedar Key city residents and commercial entities.

RESIDENTIAL CUSTOMERS

A one-time payment of **\$102 per residence** will be billed to cover the increase for Fiscal Year 2026–2027. This amount represents an \$8.50 monthly increase for 12 months and applies to all can sizes.

COMMERCIAL ENTITIES

Beginning with **November 2026** billing, monthly rates will increase by **25%**.

We understand that this increase affects household and business budgets. The additional charges result from the County's increased disposal fees.
