Call to Order

Citizens Public Comment (Agenda Items)

1. Discussion about requested handicapped spaces for The Secondhalf Coach, Inc. reserved on the curb of Avenue C near their main entrance. Also requested were two permit parking spaces on the curb on Avenue C opposite their offices and the Senior Center. Granting the space would give business parking availability for their clientele.
2. Discussion and motions for various appointments to city boards and authorities. We advertised various openings which include one vacancy and two expired terms on the Planning Commission, one expired term on the Latrobe Municipal Authority and one expired term on the Zoning Hearing Board.
3. Discussion on Resolution which outlines the policies and procedures for the operations of the Police Fundraising Account.
4. Discussion to hire a full-time fire department duty driver to replace a vacancy.
