All skill levels welcome! An opportunity for your young athlete to be on the field learning more skills and meeting new friends. Camp will emphasize an age-appropriate learning environment and skill development over game play.

Ideal for younger players interested in trying soccer for the first time or building on what they have already learned. Invite a friend to participate too!

All participants receive a T-shirt. Please wear athletic clothing, sneakers (cleats encouraged), shin guards and bring a water bottle. No other equipment is required.
