ECONOMY COMMUNITY DAY

The Economy Borough Community Day was held on September 26, 2026, from 2:00 pm to 7:40 pm. The day was filled with fun for all ages. The children who attended the event enjoyed the petting zoo, pony rides, face painting, caricature artist, bounce houses, Gellyball, and several other games. If watching the children's smiling faces having fun wasn't enough for the adults, there was a full day of live bands and over 50 vendors from the community and surrounding areas. There were also numerous food trucks, with seating under a large tent, where you could enjoy your meal. We can't forget about ending the night with the fantastic fireworks show. The Economy Borough Recreation Board is thankful for the sponsorships that helped make this event possible, the vendors who took part in the event, and the continued support of the community, who show up each year to make Community Day a success. Look for next year's Community Day date in the Spring/Summer newsletter. ♦

CONCERT & MOVIE NIGHTS IN THE PARK

Economy Borough previously held **Concert & Movie Nights in the Park** this past summer at Jeffrey Meddock Recreation Park and the Borough Municipal Complex. **Concert in the Park** was hosted by the Economy Borough Recreation Board, included food trucks and invited everyone to bring their pets, blankets and lawn chairs for a great evening of music. For the most current information on future **Concert & Movie Nights in the Park** events, check the Economy Borough website and the Economy Borough Recreation Board Facebook page.

Little Free Library®

Fall into Reading! 2026 has been a busy year for the Economy Little Free Library located inside the Municipal Building. We are happy to serve readers in Economy Borough and surrounding communities! We have been excited to accept many donations and have added a wide variety of new titles to our collection. If you enjoy a good James Patterson novel this is the place to be! We hope all of our patrons have enjoyed any selections they have made from the Little Free Library. We have something for everyone!

Just a reminder to visit our stand-alone locations in Recreation Park, Economy Volunteer Fire Station #1 on Conway Wallrose Rd., Station #2 on Ridge Road Ext., and outside the Municipal Building. Great titles in a variety of genres are available at all these locations 24/7. Please feel free to take a book and share a book (although not required).

The Little Free Library non-profit organization has a free app available to download. Get it today and use it to locate other Little Free Libraries in the area as well

as all over the world! Great for vacations or when visiting family and friends.

Follow us on Instagram @economylfl for updates on new titles that are available to borrow. Contact us at economylfl@gmail.com with any requests or suggestions. If anyone is interested in volunteering to help with the LFL please send an email with any questions to economylfl@gmail.com or travis@economyborough.org.
Happy Reading!!

The Borough has a "Community Room" that can be rented for private parties for \$50.* It is equipped with bathrooms, a small kitchen and the legal capacity is 50, although that would feel crowded. The Community Room is located in the Community Building between the Road Department and the Borough Office on Conway Wallrose Road. It is available free to nonprofit public groups that have open enrollment for residents. Contact the Borough Office to make a reservation or for more details.

**Rates are subject to change*

UPCOMING EVENTS

Halloween

Trick or Treat will be on Thursday, October 29th from 6 to 8 pm.

The fire department will be out with the police department to patrol the neighborhood for Halloween. Please remind your children to stop and watch for vehicles before they cross the street.

Daylight Savings Time – Fall Back

Sunday, November 1st. Before you go to bed on Saturday night, remember to set your clocks backwards one hour!

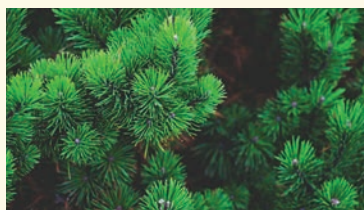

Curbside Leaf Collection

Curbside Leaf Collection will take place on the following Mondays: October 26th, November 2nd, 9th, 16th, 23rd and November 30th. Call the Borough office by the Friday before the Monday you want leaves collected. Leaves must be in **paper** "Leaf and Yard Waste" bags made specifically for recycling and have a sticker on each bag that can be purchased at the borough office for \$1 each. Bags can be purchased at home improvement stores.

Yard Waste Drop-off Container

A Yard Waste drop-off container is available near the ball field at the Municipal Park. Leaves, grass, and garden waste can be dumped there (no plastic bags). This is by permit only (\$50 per calendar year) which includes curbside brush chipping by appointment, please call the Borough Office for more details.

Garbage Pickup & Recycling/Christmas Tree Pickup

For holidays listed below*, if your normal pickup occurs on the holiday (or any day after the holiday) your pickup will be delayed one day. **Christmas trees will be picked up free of charge by Valley Waste throughout the month of January.** Trees need to have all ornaments removed, placed near the road and cannot be in plastic bags.

* New Years Day, Memorial Day, July 4th, Labor Day, Thanksgiving and Christmas

Saturday, December 12th
from 9am-11am

SAVE THE DATE! Breakfast with Santa will be on Saturday, December 12th from 9am-11am at the VFD Social Hall – 3308 Conway Wallrose Road. **Reservations are strongly encouraged by calling (724) 869-4779 x1.** A pancake and sausage breakfast will be served and there will be children's entertainment, a magician and a special guest visit along with prizes. Cost is only \$5 per person. Children 2 and under are free. **We hope to see you there!**

Santa and the Economy Volunteer Fire Department

Santa and the Economy Volunteer Fire Department: The reindeer may be resting leading up to Christmas but Santa and the Economy Volunteer Fire Department won't be.

Santa will be visiting your neighborhood atop a fire truck on the days listed below **(Please remember - Santa will be collecting canned foods for the United Methodist Food Bank)**. Call the Borough office with questions.

CWR = Conway Wallrose Rd; BSCR = Big Sewickley Creek Rd.

Monday, December 14th

CWR from VFD Social Hall to Bock; Woodcroft to Ridge Ave; Ridge Avenue; CWR from Ridge to Dunlap Hill thru Ridgewood Plan; CWR to Liberty Hills; Liberty Hills; Orchard Lane.

Shady Hollow, Silver Fox, Dogwood, Walnut to Bock, Bradford Park Road to Shortcut, Foxglove, Bradford Park Square, Shady Spring, Mary Reed including all side roads.

Bock to Woodcroft including all roads to the left of Bradford Park Road, Golden Grove, Sunset, Winterset, Pineview, Clover, Green Forest, Rock Rose.

Wednesday, December 16th

CWR from Social Hall to BSC to Edgewood, to Woodlawn, Davis, Maude Davis, Hoenig Road, Ridge Road Ext including side roads.

Be a Good Neighbor — Scoop the Poop!

We have had several requests for signs to remind residents who walk dogs to always clean up after them. This should be common sense and common courtesy but if not Borough Ordinance 223 can be used to help enforce the practice.

HOMESTEAD/FARMSTEAD EXCLUSION

The Taxpayer Relief Act, Act 1 of Special Session 1 of 2006, was signed into law on June 27, 2006. The law provides for property tax reduction allocations to be distributed by the Commonwealth to each school district, and the state funds must then be used to reduce local residential school property tax bills. Property tax reduction will be through a "homestead or farmstead exclusion". Under a homestead or farmstead property tax exclusion, the assessed value of each homestead or farmstead is reduced by the amount of the exclusion before the property tax is computed. Only a primary residence of an owner may receive the homestead exclusion. For other eligibility requirements please stop by, call or email the Economy Borough tax office.

To receive school property tax relief for tax years beginning July 1, 2027, applications must be filed with the Beaver County Assessment Office, 810 3rd Street Beaver, PA 15009 by March 1, 2027. If you are currently enrolled no further action is required.

2140 Conway Wallrose Rd.

YOUR AD HERE!

This newsletter is produced by [Municipal Advertising Consultants](#) with collaboration from [Trina Asterino-Nous](#) (graphic designer) and Gazette Printing. If you would like to place an ad in the next Economy Borough newsletter, please call Terry at (724) 312-2823, or email him at buyadsfromme@gmail.com.

MEET YOUR MEDICS

This Fall we would like to introduce to you Tyler Bobin.

Tyler has been a Paramedic with Economy Ambulance since November of 2022. Prior to that Tyler had worked at Noga EMS in Lawrence County, where he had worked since 2017. Tyler received his Paramedic Training course from IUP in 2020.

Besides working on the Ambulance, Tyler also enjoys instructing. He works at both BC# 3 in Butler County and CCAC in Allegheny, instructing new Emergency Medical Technicians and Paramedics. Tyler is also a member of the Beaver County Emergency Services Unit responding with the SWAT type Team on High-Risk Calls. Tyler also has his own Lawn Care Business.

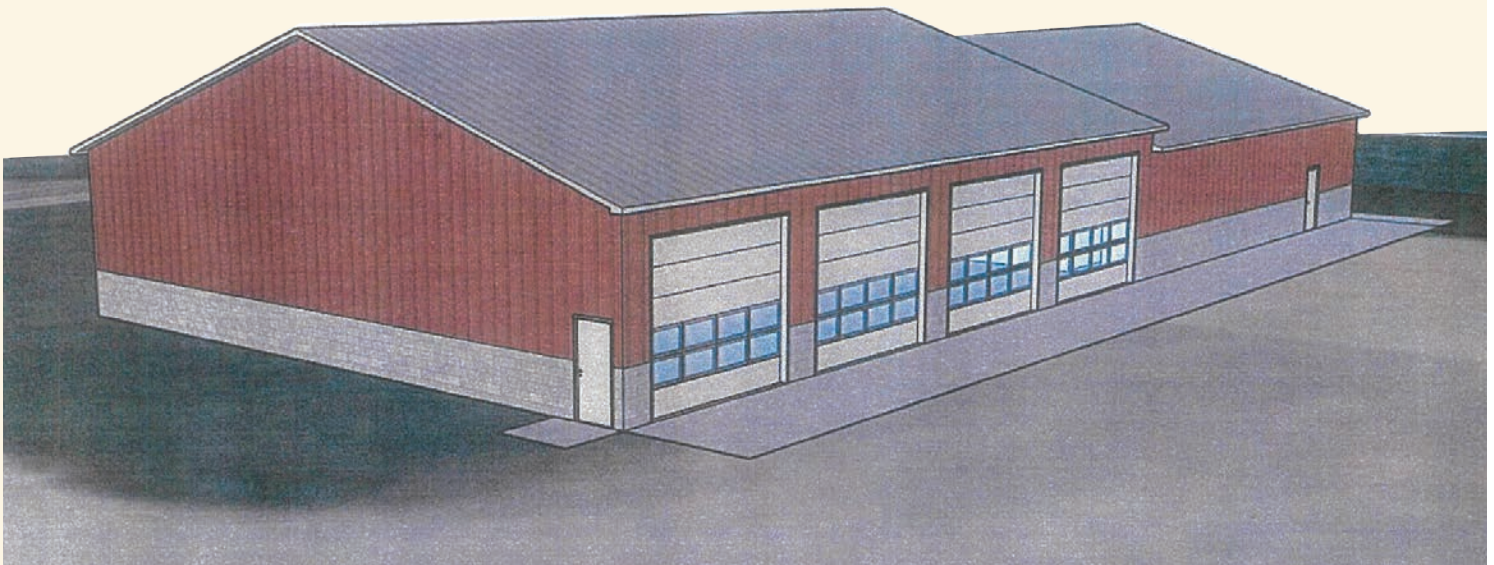

Tyler's personal life has had its ups and downs. Tyler had the privilege of having a Twin Brother, which very few people get to experience. However, this close bond was taken away when his brother Jordan was struck by a car while bicycling and died at the young age of 17. Even with this personal tragedy Tyler continues to work in EMS and help others.

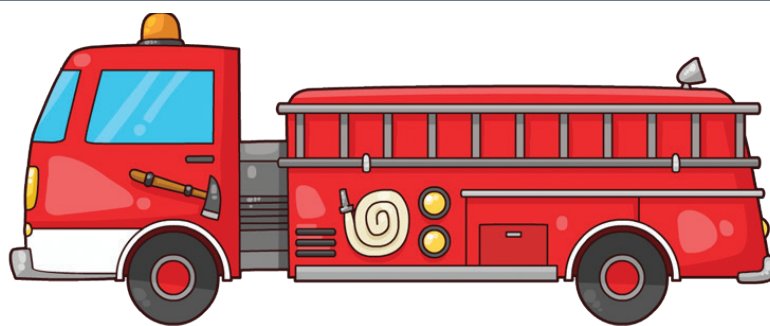

ECONOMY AMBULANCE SERVICE BUILDING NEW STATION

Just after Labor Day, you should have received your 2026 Ambulance Subscription. Ambulance Subscriptions save you money, typically cutting your out-of-pocket expenses in half, and provide your local EMS Service with working capital. Over the last year, they purchased a new 2024 Medix Ambulance pictured below. This replaced their 2008 Unit. They also now have Power Load Units in all their trucks. If you remember from last year's article, these Power Loads cut down on employee injuries.

If you have accidentally misplaced your 2026 subscription, you can call their office at (724) 266-9111 and request a replacement or sign up right on the phone. You can also get one by visiting www.economyambulance.com.

WHEN LEAVES FALL, SO DOES WATER QUALITY—THIS FALL, KEEP STORM DRAINS CLEAR OF LEAVES

While you are raking your leaves this fall, be sure to rake leaves out of the street as well, especially before storms. By disposing of leaves properly this fall, you can help maintain the water quality and health of your local waterways. Storm drains are a crucial part of the stormwater system. It is vital to keep them clear of leaves and other debris. Even though you may not live next to a waterway, leaves that pile up in your street and stormwater system will end up impacting nearby waterways.

HOW TO DISPOSE OF LEAVES PROPERLY: Take part in Economy Borough's yard waste program. Yard waste can be deposited in a bin behind the Economy Borough ball fields if you have purchased a Yard Waste Permit. You can also use a mulching mower to retain clippings and mulched leaves on your lawn to help keep them out of streets and storm drains. Leaves and other yard waste are also great for composting and can be used to fertilize flower beds and vegetable gardens next spring. *Do not blow or rake leaves into drainage areas as they could clog drainage pipes or culverts downstream. Also do not blow or rake leaves onto any of our streets.*

WHEN IN DOUBT, CALL

All too often the Code Enforcement Office responds to calls and/or complaints related to demolitions, new construction or remodeling, only to find the proper permits were not issued. If you have a construction project in or around your home and are not sure if a permit is required, it is best to call and ask. The number for the Code Office is 724-869-4779. You can ask for John at extension 5. He will be happy to answer your questions.

FROM THE OFFICE OF CODE ENFORCEMENT

Chapter 58 of the Economy Borough Code requires that all houses and businesses be conspicuously numbered with a street address. For those buildings that cannot be seen from the road, the mailboxes are to be numbered. The Economy Volunteer Fire Department sells reflective numbers for \$30, please call the Borough Office for more information.

SNOW REMOVAL

The winter season is quickly approaching and that brings snowy weather conditions. Please allow yourself extra time and check the weather and road conditions before traveling on roadways during inclement winter weather conditions.

An increase in motor vehicle accidents occur during these times due to drivers operating their vehicle too fast for those type of conditions. Also, be mindful of the snow and ice on your vehicle. Do not travel on the roadways until all of the windows of your vehicle are clear of snow and ice. Not only is it safer for you and the other drivers on the roadways, but it is also the law. Snow or ice dislodging from your vehicle while on the roadway can result in a \$200-\$1000 fine. All parts of the vehicle, including the roof, hood, trunk, front windshield, rear windows and all side windows are required to be free from any obstruction before traveling on the roadway. **Be safe!**

Here are suggestions to follow during the winter snow season:

- * Do not drive unless absolutely necessary. Wait to give crews a chance to treat the roads.
- * Remove all vehicles from the street. Park in your driveway or yard, not on the street.
- * Do not shovel, blow or plow snow from your driveway or walkway into the street. Pile snow in your yard instead. Remind any hired snow removal service of these requirements.
- * Keep hydrants clear of snow so that they are visible and accessible for emergencies.
- * When you notice a salt truck approaching from the opposite direction, slow down and move away from the center of the road to allow for the salt spreader spray.
- * When following a salt truck, keep a safe distance back. Expect trucks to make sudden stops or turns when in the operation of snow removal.

NEW FIRE STATION

We are excited to move into our new station #1. It has been years since we were able to replace the old building. It was a total cramped building. Our engine did not properly fit in the structure. There was no storage room. But after a few years of planning, we were able to move forward on this new station. We combine our social hall with this present structure.

Fire Chief Ted Brickner stated, "Now we can have adequate space for our engine, tanker, and brush truck. Adding a social hall enables our volunteers to train and practice with up-to-date procedures to handle various emergencies. It has been a long process, but now we can function at a better level."

The social hall is open to be used as a community room for our residents. To make a reservation, contact Travis Cavanaugh at 724-333-0683.

RASH OF TRAFFIC ACCIDENTS

Our Department answered six serious accidents in the past few months. One accident closed Conway Wallrose Road for 12 hours. A vehicle took out a utility pole and knocked out the power. The other accident on Route 65 at the entrance to Northern Lights resulted in three vehicles being towed and several injuries. Several other multi-vehicle accidents resulted in injuries and one person airlifted to a Pittsburgh hospital. Thankfully, we have the rescue equipment that is needed for these serious situations. All these specialized tools we use are expensive, but they are very useful when needed.

WINTER REMINDER

It is that time of year again. Temperatures are falling and many homes start burning wood in their fireplace. So, it is important to clean your chimney. Chief Brickner stated that our department answers at least three calls a year for chimney fires. If the chimney has a buildup of soot and wood chips, it can spread to the roof area and present some serious problems. We have the resources to put the fire out quickly and not cause any structural issues. But as the Chief concluded, it is better if the homeowner takes preventive measures.

VISITING FIRE DEPARTMENTS IN THE USA

Our members enjoy stopping at different fire stations while on vacation. It is nice to be accepted by these departments and treated so warmly. One stop took place in San Francisco.

This was located in Chinatown. The Deputy chief was friendly and gave a tour of their station. He offered to ride us around the city in his Chief SUV. As the photo shows below, even large cities have equipment issues. His vehicle would not start, and the crew could not get it started. It had to be towed to the garage. Another visit took us to the Grand Canyon National Park. Their fire department is well equipped to handle specialized calls. This department encounters 3 million visitors a year. They cover not just fires and accidents but all medical calls from the visitors to the park. Included with the equipment are four 15 thousand-gallon engines. One is a large trailer with rappelling ropes and other equipment to handle rescues on the mountainside with very deep canyons.

ANNIVERSARY YEARS OF SERVICE

Economy Borough would like to recognize the anniversary years of service for some of the Borough employees below. Thank you all for all your hard work and dedication to the Borough.

Sgt. David Farah—25 Years

Cpl. Justin Skonieczny—15 Years

MAILBOXES

Economy Borough repairs or replaces mailboxes and/or posts that are struck by the plow blade. A paint mark or tracks from a tire is evidence of a mailbox strike. Economy Borough does not repair or replace mailboxes and or post that fall from the force of the plowed snow. Mailboxes and supporting post must be installed to withstand the rigors of snow removal, including the force of snow pushed from the street onto the roadside. If you have trees or shrubs growing out onto the street, trim them back as not to damage the trucks and mirrors on the trucks. If you have any questions, please give us a call.

LEASED AND RENTED PROPERTIES

All Properties that are Leased or Rented in Economy Borough must be registered with the Borough Code Enforcement Officer or Borough Secretary on a yearly basis. It is the responsibility of all owners of leased/rented premises and of all persons who assist in the rental process to register with the Borough Code Enforcement Officer or Borough Secretary, the names and addresses of all persons who have leased, rented or otherwise arranged for the occupation of leased premises in the Borough. All subsequent tenants must be registered within 30 days of occupancy. Chapter 111 of the Economy Borough Code (found at www.economyborough.org, ordinances, click on blue codebook, go to Chapter 111).

REAL ESTATE TAX INFORMATION

DATES: Beaver County: **January** - December 31, - Discount = 2%, Penalty 10%

ECONOMY BOROUGH: **March** - March 31, of the following year
Discount = 2%, Penalty 5%

SCHOOL DISTRICT: **July** - December 31, Discount = 2%, Penalty 10%

A discount is offered for valid payment within the first two months of the billing period/after they mail.

If you have not received your Economy Borough and/or Ambridge Area School District tax bill, please contact the tax office promptly.

Failure to receive a tax bill does not relieve the property owner of the responsibility for payment.

For any address or mortgage changes, please contact both the Beaver County Assessment Office and the Economy Borough Tax Office. It is the property owner's responsibility to notify the Beaver County Assessment Office of any changes that may affect your parcel or the collection of taxes.

Tax bills are not forwarded. If you winter in another state, please contact the tax office so your bill can be emailed to you at your winter address.

Please note that failure to receive an Economy Borough or Ambridge Area School District tax bill does not change the amount owed or the due dates.

To ensure timely processing of your payment, please remember to:

- Date your check
- Sign your check
- Enter the correct payment amount

Checks with missing or incorrect information will be returned. Including a phone number on your check allows us to contact you quickly if there is an issue.

REAL ESTATE TAXES:

How do you dispose of FOG?

The leading cause of residential sewer backups is **FOG, Fats, Oils and Grease**. It hardens in pipes over time and when it combines with other solids it forms blockages leading to backups. No one likes costly repairs. It stinks!

FOG, Fats, Oils and Grease accumulates in the sewer system in much the same way that cholesterol builds up in your arteries over time. As FOG congeals in the pipes, wastewater flow is constricted. Then without warning, the pipe is blocked leading to a clog, causing a "heart attack".

The easiest way to prevent sewage overflows and prevent backups is keep FOG out of the system.

Scrape scraps and wipe plates into the trash. Pour liquids into a container, store it to cool and solidify, and then toss it in the trash.

Avoid plumbing blockages, overflows, & messy situations!

Six Tips to Keep Fog Out of the Public Sewer

- ◆ Never pour grease down sink drains or into toilets or garbage disposals.
- ◆ Pour grease into a covered, disposable container, and and put it into the trash.
- ◆ Soak up remaining fats, oils, and grease with paper towels, and dispose of with your trash.
- ◆ Before you wash pans or dishes, scrape fatty food scraps into the trash—not into the sink or garbage disposal.
- ◆ Put baskets or strainers in sink drains to catch food scraps and other solids, and empty the drain basket or strainer into the trash.
- ◆ Soak up remaining fats, oils, and grease with paper towels, and dispose of with your trash.

The easiest way to prevent sewage overflows and prevent backups is keep FOG out of the system.

NEW PAVILION

Located near the playgrounds at Jeffrey B. Meddock Recreation Park, the new pavilion is a proud addition that reflects our community's spirit. Donated by the Economy Borough Civic Club, it now features water and electricity, creating a welcoming space for residents and

visitors to gather and enjoy. We are grateful to the Economy Borough Civic Club for their generous donation, which demonstrates their commitment to our community's growth and well-being.
