

Hellam Herald

Hellam Township, York County, Pennsylvania

FROM THE DESK OF THE TOWNSHIP MANAGER

Dear Residents,

We're starting the New Year off with a "New Look" for many things here in Hellam Township! First, I'd like to announce that our newsletter will resume publication, on a quarterly basis, being mailed to local businesses and Township residences alike, featuring a sleek new look & format. There's plenty of information to share with our residents, including the things you want and need to know. We see no better way to share it with you than to put the information in your hands, directly!

Over the past year, we've also implemented many new digital tools to help us keep our residents informed. We unveiled a new website format, which includes intuitive navigation, interactive webforms and easier access to Staff and Board members via email. We also began offering a two-way communication platform through our new interactive website, www.Engage.HellamTownship.com. Our social media presence has increased, including our Facebook page that is updated frequently, as well as our Instagram and YouTube accounts, all found by searching Hellam Township Admin on the various platforms. You'll find all of our social media accounts and website information on page 3, or by visiting our website www.hellamtownship.com. Lastly, we implemented a new communication service, called Savvy Citizen, that when you visit www.savvycitizenapp.com and sign-up for your

free account, you'll receive alert messages directly to your phone or computer from the Township.

Over the years, the Township and its employees have worked hard to provide the highest quality of service to our residents, at the lowest and most responsible cost. If you currently live in Hellam Township, or elect to do so in the future, you can rest assured that in an emergency, the Township's police, volunteer fire, and E.M.S. services are only a telephone call away.

I would like to thank each and every employee and volunteer, as well as our Boards, Commissions, and Committees for their continued dedication and commitment in making Hellam Township an exceptional community to live in.

Our website is filled with information about this great Township, and the programs and services we provide. We welcome you to join us as a partner and neighbor to truly continue to make Hellam Township a community where people want to live, work, play and raise a family.

Lastly, I want to wish you all a happy and healthy New Year. I'm honored and privileged to serve as your municipal manager, and I look forward to working with you to continue to make Hellam a great place to live, work, and play.

If you have any questions, comments, or suggestions, please feel free to contact me at any time, at 717-434-1300.

Sincerely,

Corina Mann

FROM THE DESK OF THE POLICE CHIEF

Dear Residents,

2023 was a busy year for the Hellam Township Police Department. We welcomed two new officers to our department, Officer Eisenberger and Officer Moyer. We also added a new member to our K-9 division, a two-year-old black lab named Sage. Sage is partnered with our new School Resource Officer, Mylinda Bull, to help comfort and support the emotional welfare of children in our local schools. So far, SRO Bull and K-9 Sage have been a big hit in our communities! K-9 Sage has her very own merchandise now, in addition to new K-9 Cerberus merchandise. Check out what we have to offer by visiting www.hellamtownship.com/k-9-merch or stop by the Township building to purchase.

Please join us in congratulating Sergeant Jason Test on his retirement from the Police Force in 2023. Sgt. Test worked for the Hellam Township Department for eighteen years, the Stewartstown Borough Police Department for three years prior, and also served four years active duty for the United States Air Force. Sgt. Test has served his country and community for a total of twenty-five years, and continues to serve as he's taken up the mantle as the new Zoning Officer for Hellam Township.

This summer we held our 1st Annual Pars4Paws golf tournament, supporting our K-9 program, and it was a huge success! Nearly 150 individuals joined us for a great day of golf, raffle drawings, and a dinner banquet held at the Burning Bridge Tavern. All donations and proceeds of the event go towards the continued support of our K-9 officers, Cerberus and Sage. For more details on our 2nd Annual Pars4Paws golf tournament, keep an eye out on our Facebook page at Hellam Township Police, and in the spring issue of our Township newsletter.

We also held our annual "National Night Out!" celebration this past summer. With nearly double the number of attendees and dozens of new sponsors & vendors, the 2023 NNO celebration was our biggest one yet. We look forward to making the event in 2024 even bigger and better than before, so mark your calendars for the August 6, 2024 "National Night Out!" celebration.

Finally, we were awarded a grant to update our Officers' body-worn cameras. This grant has allowed us to purchase more up-to-date camera technology, which will allow our officers to better serve our communities.

Looking ahead to 2024:

The Hellam Township Police Department continues its commitment of offering the highest level of service to our community, by continuing to protect and serve our residents and beyond. We're excited to participate in more local events in the New Year, to bring us closer to our community. We hope that you'll continue to show us support by participating in our department lead events, as well as continue to support our K-9 Unit, which is funded by your generous donations and the sale of our K-9 merchandise.

Thank you for your continued support of our department. It hasn't gone unnoticed and it is very much appreciated; I assure you. Stay safe Hallam Borough, Wrightsville Borough, and Hellam Township!

Sincerely,

J. Douglas Pollock, Hellam Township Police Chief

PUBLIC WORKS

It's been a great year overall for the Hellam Township Public Works Department. Working with our residents and contractors on various projects has proved to be very productive and smooth 2023 Public Works season. Thank you for your continued support- Curt Ferree, Public Works Roadmaster

As we look back at 2023, here are some projects that were completed:

- Pipe Replacements and upgrades on Wallicks Road, Range Road, and Trout Run Road
- Paving of the remainder of Range Road and Trout Run Road to the Springettsbury Twp line
- Crack sealing; approximately 3 tons of material was applied to Township roads over the course of a two-week period this Fall
- Line painting, including approximately 5 miles of double-yellow line were applied as well

Looking forward to 2024, we've tentatively planned our schedule to include:

- Chip sealing
- Additional pipe replacement
- Street sweeping, as needed, beginning sometime in the Spring, weather permitting
- Mowing will continue, as needed, beginning sometime in May, weather permitting
- Purchasing a 2023 CAT backhoe to replace the 2007 model currently in use

As we move further into the winter season, here are some reminders:

- Don't forget to put out yard markers which helps our plow truck drivers during snow storms
- Please try to be patient as we clear the TOWNSHIP ROADS, and do your best to give the plow trucks plenty of room to keep the roads as safe as possible for everyone
- We do not provide leaf collection, however we do collect leaves in several of our open waterways, storm boxes, and heavy tree canopy areas, to prevent flooding

Thank you to the residents who have continued to bring used oil throughout the winter season. The Public Works Department will continue to accept used oil throughout the year. Please contact the Township to arrange drop-off with the Road Master, by calling 717-434-1300.

To report a Township Road/Pot Hole/Downed Sign complaint, submit your concern via the Township website at: www.hellamtownship.com/submit-a-public-works-concern or call the Township at 717-434-1300 and request the Public Works Department. For maintenance of State Roads contact PennDOT by visiting www.customercare.penndot.gov or by calling 717-848-6230, or 1-800-FIX ROAD

ZONING DEPARTMENT

Applying For A Permit

To begin, you must fill out a zoning permit application and a building application, if applicable, that should include the signature of the property owner. Please include a drawing of your proposed improvement, showing setbacks, building dimensions, and lot coverage, including driveways. Please submit the completed applications either in-person at the Township building, via standard mail, or by emailing the forms to zoning@hellamtownship.com. You must pay the application fees in order for your permit to begin the review process.

Fees

For all Building & Zoning permits, there is a \$25 non-refundable application fee, with payment due at the time of submittal. Your application will be reviewed, and if there are any questions, the Zoning Officer will contact you. Please be sure all contact information is submitted and accurate. The Zoning Permit fee is listed on the Township Fee Schedule. It is currently \$8 per \$1,000 spent on the construction costs, and is subject to change upon annual review. There is also a \$25 fee for Use & Occupancy certificates. All fees are payable upon permit pick-up.

Building Permits

Our primary, third-party, inspection service is Commonwealth Code Inspection Service, Inc. (CCIS). We do offer a secondary inspection service for the convenience of our residents; Building Inspection Underwriters, Inc. (BIU). If a building permit is required, we will forward it to the inspection servicer selected by the applicant. After the Township submits the building permit to your chosen inspector, the application will be reviewed and/or approved by CCIS or BIU. You must contact the building inspector directly to arrange the inspections. Once complete, the Zoning Officer will contact you regarding the final fees due. The fees associated with Building Permits are billed by the third-party inspection service, which you will receive an itemized invoice with the permit packet at time of pick-up. Once the Building Permit is completed, you can pick it up, along with your zoning permit, if applicable. All fees are due upon pick-up.

Payments

We accept cash and checks for zoning permits payments; which checks are payable to Hellam Township. Payment for building permits is payable to the specific third-party inspection service utilized, either Commonwealth Code Inspection Services, Inc. (CCIS) or Building Inspection Underwriters, Inc. (BIU). At this time, cash is not an acceptable form of payment for building permits. The permit process on average takes 10-14 business days to complete. You must allow for this time when scheduling your project, as no work may begin until the appropriate permits are acquired.

ZONING DEPARTMENT

When Do I Need a Permit?

Section 490-149.A(l) of the Hellam Township Zoning Ordinance dictates when a zoning permit is required.

Permits are required when:

- There is a change in use of land or structure.
 - For example, you want to run a day care out of your home or you want to convert your basement into a separate dwelling unit, you need a permit.
 - The type of permit required for a change of use is called a "use and occupancy" or "certificate of occupancy."
- The erection, construction, improvement or alteration of any structure or portion thereof.
 - For example, if you want to add a shed or swimming pool to your property, room additions, new homes, retaining walls, fences, signs and the like. The removal of structures also requires a permit even the removal of a mobile home.
- Removal of a structure requires a zoning and demolition permit. Addition of or to structures requires a zoning permit and depending on the size may require a building permit and a stormwater management permit.
- Any addition of impervious area, 500 square feet or more requires stormwater management. Hellam Township considers gravel impervious.
- Alteration or development of any ground or land.
 - This includes mining, dredging, filling, grading, paving, excavation or drilling operations.
 - Any well needs a permit. Brush removal that exposes the dirt needs a permit. Driveways, new or resurfacing need a permit.

Permits are not required for vinyl siding, replacing windows and doors (as long as the framing is not altered) and landscaping. If you have a question about the need for a permit, call Zoning Officer Jason Test at 717-434-1300.

Permit applications can be found on our web site at www.hellamtownship.com. If you have any questions, or need assistance filling out an application, please call 717-434-1300 or email the Zoning Officer, Jason Test, at jtest@hellamtownship.com.

Possible Zoning Ordinance Revisions

Listed below is a summary of each topic discussed for possible ordinance amendment or enactments. Review begins with the Planning Commission then moves to the Board of Supervisors. Resident input is encouraged, so be sure to attend the meetings and interact with the surveys and digital content posted on our websites www.hellamtownship.com and www.engage.hellamtownship.com. The Planning Commission meets the second and fourth Thursday of every month starting at 6:00 PM. Stay informed, attend a meeting! If you cannot attend a meeting in person, you can attend on Zoom. The Zoom log in information along with agendas and packet items are generally posted on the website one week in advance.

River Lands Zone: On December 8, 2022 the Planning Commission began evaluating the possibility of creating a River Lands Zone and assessing possible properties to include in this Zone. The purpose of creating this zone would be to evaluate the uniqueness of properties along the river, to assess setbacks and to expand upon outdoor recreational opportunities, as more land has been acquired by Lancaster County Conservancy and PA DCNR.

Short Term Rentals: In 2023 the Township began addressing ways to regulate short term rentals (STRs), commonly referred to as Airbnb's & VRBO's. At the December 7, 2023 Board of Supervisors meeting, after many months of review and revision, the Public Hearing for the Short-Term Rental Ordinance No. 2023-01 went before the Board of Supervisors for and was approved unanimously.

Solar Facilities: The Township is currently evaluating regulations already in place for large-scale and small-scale solar facilities, to determine if any additional regulations are necessary. A resident survey on the topic will be launched on www.engage.hellamtownship.com in early 2024. We urge you to participate!

How to find Hellam Township's current Zoning Ordinances: Visit www.hellamtownship.com. Click on the "GOVERNMENT" Tab Click on the "ZONING DEPARTMENT" Tab. Select the "ZONING ORDINANCES" Box. Or visit <https://ecode360.com/HE2351>

REPUBLIC SERVICES

717-845-1557

4400 Mt Pisgah Rd, York, PA 17406

www.republicservices.com

In 2023, the Township waste hauler contract went out to bid. The bid was awarded to Republic Services, as they were the only waste hauler who submitted a bid for consideration. The contract is for a 3-year term, and was effective beginning October 1, 2023.

The pricing for the next 3 years is as follows:

October 1, 2023 - September 30, 2024: \$89.85/Per quarter

October 1, 2024 - September 30, 2025: \$96.14/Per quarter

October 1, 2025 - September 30, 2026: \$102.87/Per quarter

These rates include once weekly trash & recycling pickup, utilizing 96-gallon trash totes and 64-gallon recycling totes, provided by Republic Services. Low-volume trash service is no longer provided. These rates also include bulk item pickup, which can be scheduled once weekly by contacting Republic Services **directly** to arrange pick-up at 800-210-9675, and Christmas tree pickup once per year, in January.

Eastern York Recreation Authority

About EYRA

Eastern York Recreation Authority (EYRA) was founded in 2018 by a grant awarded by the Pennsylvania Department of Conservation and Natural Resources (DCNR) Bureau of Recreation & Conservation. Three (of six) municipalities within the small, rural Eastern York School District applied for funding to hire a full-time Parks & Recreation Director to serve their communities. The first director took the reins in November 2018, reporting to a six-member, all-volunteer board, which is comprised of 1 Board/Council member and 1 resident-at-large for each participating Municipality. In October 2021, a part-time Sport & Facilities Coordinator was hired.

EYRA was formed to 1) jointly operate educational, recreational, and athletic programs and facilities to economically meet the present and future parks and recreation needs of Hellam Township, Lower Windsor Township, and Hallam Borough residents, and 2) operate, strengthen, and expand the community recreation programs formerly provided by the Hellam Recreation Commission.

We continually seek to improve our operations and develop our programming for the area's 20,000 residents. Our goal is to create recreational opportunities for growth and enhancement by developing an array of diverse, affordable programs and events that promote community service and environmental awareness, while meeting the physical, mental, social, and psychological needs of our community.

Upcoming Activities:

JANUARY 2024 Spring 2024 Baseball & Softball Registration Opens Youth Sport Open Gyms

FEBRUARY Spring 2024 Baseball & Softball Registration Closes Youth Sport Open Gyms

MARCH Fall 2024 Soccer Registration Opens Adult Line Dancing Lessons Begin, and will be held on Mondays, March 11th – April 29th from 6-8pm at Lower Windsor

WAYS TO SUPPORT EYRA

Please consider supporting EYRA every time you shop at DICK'S Sporting Goods and Walmart. Your purchases help us expand our programs and services.

- **WALMART:** Every time you shop online at www.walmart.com/sparkgood, there are two-ways to support EYRA.
 - Donate change by rounding up your purchase at checkout
 - Donate products from the EYRA registry & have the items shipped straight to us
- **Dick's Sporting Goods:** Every time you use one of our Dick's coupons it earns EYRA credit for future funding activities. 2024 DICK'S coupons coming soon!
- **GotSneakers Recycling Program:** Before you bid old sneakers farewell, consider recycling them! We have partnered with GotSneakers to recycle and reuse quality, pre-loved sneakers. Your donation supports the environment and EYRA!

EYRA is always looking for program ideas & instructors!

What activities interest you? Have you considered sharing your talent and teaching a class? Have you been hoping to learn something new? We are looking for program instructors and ideas to expand community programming and events.

If you have ideas, or would like to instruct a class, please reach out to Jessica Cirilo, Director, at eyrecauthority@gmail.com or 717-487-5295.
