FOR IMMEDIATE RELEASE

Town of Louisa Public Works – Brush Collection Schedule Update

The Town of Louisa Public Works Department would like to inform residents that our regularly scheduled brush collection has been temporarily delayed due to emergency water leak repairs that required immediate attention.

Brush collection will resume as soon as possible, and all remaining brush will be collected no later than Wednesday, July 8.

We appreciate our residents' patience and understanding as our crews work to restore water service and complete these critical infrastructure repairs before returning to the regular brush collection schedule.

Thank you for your continued cooperation and understanding.

For additional information regarding the project, please contact:

Stuart Turille

Town Manager – Town of Louisa
