

# BOROUGH OF TARENTUM

REDCAT ELECTRIC DEPARTMENT  
318 E. SECOND AVENUE  
TARENTUM, PENNSYLVANIA 15084

## 2025 Utility Pole Replacement Project

As part of Tarentum Borough's electric utility planning and maintenance program, we replace a number of poles each year to maintain a safe and reliable system.

This year's pole replacement projects will begin:

- Monday, September 22, 2025
- Duration: Approximately two weeks (weather permitting)

### Scheduled Work Locations

- 141 W. 4th Avenue
- 22 W. 7th Avenue
- 713 Mill Street
- 532 E. 8th Avenue
- 616 E. 8th Avenue
- 632 E. 9th Avenue
- 612 E. 9th Avenue
- 1012 Coe Street
- 913 Porter Street (added following the September 16th fire incident)

### What to Expect

- 🚧 Temporary traffic disruptions near work areas
- ⚡ Possible short service outages during pole transfers
- ✅ Long-term improvements for safety and reliability

Please use caution when traveling near work areas. We appreciate your patience as we continue to modernize and strengthen Tarentum's electric system.
