Emergency Services Coordinator

Dover Township Welcomes our First Full-time Emergency Services Coordinator

Justin Eberly joined the staff of Dover Township on July 28th, 2025. This is a position that is intended to manage emergency response during large natural and man-made disasters, such as, flooding, blizzards and other large-scale incidents. In addition, Mr. Eberly is tasked with strategic and capital planning efforts to ensure that emergency services-fire and EMS are considered as the Township grows and volunteerism in Fire Services lessens.

Farm Stand Map

As part of our 2020 Comprehensive Plan, Dover Township is working on developing a map of all the farm stands & farm markets in the Dover Area. A survey is currently being sent to stand operators, and we intend to publish a finalized map once all info is received.

Township Permitting

We are delighted to announce that the majority of our permit forms can now be transmitted electronically! With construction underway, we invite you to embrace this method of submission.

[Explore Our Permits & Forms Page!](#)

Temp Meeting Location

During construction, we will be hosting all Township meetings at the Community Building located at [3700 Davidsburg Rd](#)

Peddler's License

Due to frequent questions on Facebook, we wanted to make the Public aware that we do have a Peddler's License Requirement: **Peddler's License Ordinance**
Questions should go to NYCRPD

Little Conewago Creek

The \$5.83 million grant that was awarded to Dover Township from the FEMA/Building Resilient Infrastructure and Communities Grant Fund has been rescinded due to cuts with the Federal Emergency Management Agency.
