

# **WATER SHUT OFF NOTIFICATION**

**To The Residents of Buildings #4, #15 and #19**

As you are aware, a major water line break occurred this past Thursday whereby water supply to your building was turned off. Due to the severity of this break, a temporary fix was installed and water was restored to your building early Thursday evening.

**HOWEVER**, in order to install a permanent fix, the water supply to your building will be turned off at 9:00 am on Tuesday, May 28th and will remain off until the permanent fix is completed. **PLEASE PLAN ACCORDINGLY.**

We apologize for any and all inconveniences.
