

BOROUGH OF TARENTUM

Office of the Mayor
318 East Second Avenue
Tarentum PA, 15084

To: Tarentum Borough Council, Borough Staff, and Police Department
From: Mayor Bob Lang
Date: 1/3/2025
Subject: Temporary Traffic and Parking Regulation – Towing Zone Enforcement

MAYORAL DIRECTIVE

In accordance with § 250-17(A)(2) of the Borough of Tarentum's Traffic and Parking Regulations, I am issuing the following directive:

Temporary Regulation

Effective immediately and for a period of 45 days from the date of this directive, the yellow restricted curb area at the intersection of East Street and West 10th is hereby designated as a **Towing Zone**. This temporary regulation is established to enhance **traffic safety**, ensuring vehicles can safely pass and turn at this intersection. This area has already been marked as a **No Parking Zone**, and this temporary enforcement action supports the original intent of the designation.

Enforcement

The Tarentum Police Department is authorized and directed to enforce this regulation as stipulated in § 250-17(B) of the Borough's ordinance. Vehicles found in violation by parking in this restricted area during this period are subject to removal at the owner's expense, in addition to any applicable fines.

Public Notice

The Borough administration is instructed to place temporary signage at the designated location and provide public notification of this temporary towing zone through official Borough communication channels, including the website and social media platforms.

This temporary regulation will remain in effect until 02/17/2025. During this period, I will work with the Borough Manager, Council, and Solicitor to assess the situation and propose any necessary updates to the Borough ordinance.

Thank you for your cooperation in maintaining traffic safety and supporting our community's mobility needs.

Sincerely,

Bob Lang,
Mayor of Tarentum Borough
