Directors note

Events- I think we need to evaluate the street safety equipment layout and pick up.
Looking at possibly leaving it out neatly on corners.

Building a trailer to hold all the cones, barricades and drums so we can leave it on
when picked up to be more efficient, a lot of time is spent loading trucks and
unloading.

Price for 20' trailer\$ 5,600.00 plus steel and labor to hold all the equipment'
